Tips for Indicator Light

After the Bluetooth programmer is connected, the indicator light is **Green**.

After the Bluetooth programmer is sending, the indicator light is **Blue**.

Odmaster APP

Step 1

Download Odmaster App

Step 2

Register an account and log in.

Step 3

Plug the Bluetooth programmer into your radio and make sure they are both on

Tips:

After the Bluetooth programmer is turned on, the indicator light is **Blue**.

Step 4

Connect Bluetooth and radio in app

Tips:

After the phone is turned on Bluetooth, do not pair/ed the device with your phone in BT settings, **just enable and turn on BT in app**, and make sure the Odmaster app and **only the Odmaster app** is connected, delete the pair.

Step 5

Select model and read from radio
