Solder Board-Component View 9	 A photograph of a rectangular copper-colored solder board component. It has two small circular holes, one at the top-left corner and one at the bottom-right corner. The component is placed on a blue textured surface. Two metal rulers are used for scale: a vertical one on the left showing centimeters from 1 to 9, and a horizontal one at the bottom showing centimeters from 1 to 9 and millimeters from 0.5 to 9.
Solder Board-Component View 10	 A photograph of the same solder board component from a different angle, showing its profile. It has a green component mounted on its surface. The component is labeled with "DTTS09-000F" vertically and "GND", "D+", "D-", "Us.0", and "GND" horizontally. It is placed on the same blue textured surface with the same two metal rulers for scale.
