

# Robot Wi-Fi Antenna specifications

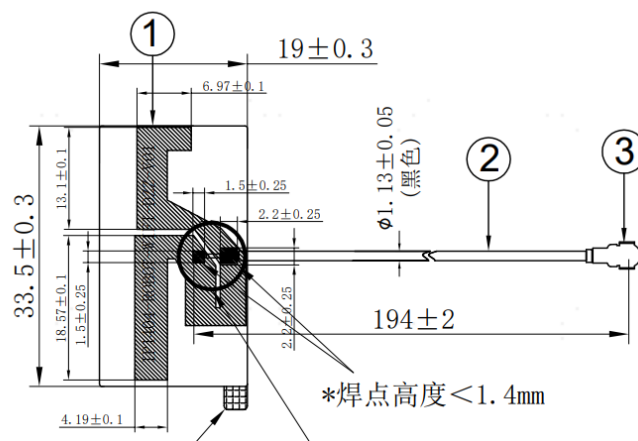

## 1. Manufacturer information

|                      |                                                                                                                    |
|----------------------|--------------------------------------------------------------------------------------------------------------------|
| Manufacturer Name    | Shenzhen Be-comfortable Technology co., Ltd.                                                                       |
| Manufacturer Address | C6-1603,Hengfeng Industrial City,No.739,Zhoushi Road, Hezhou Community, Hangcheng Street, Baoan district. Shenzhen |
| Antenna Type         | Monopole Antenna                                                                                                   |

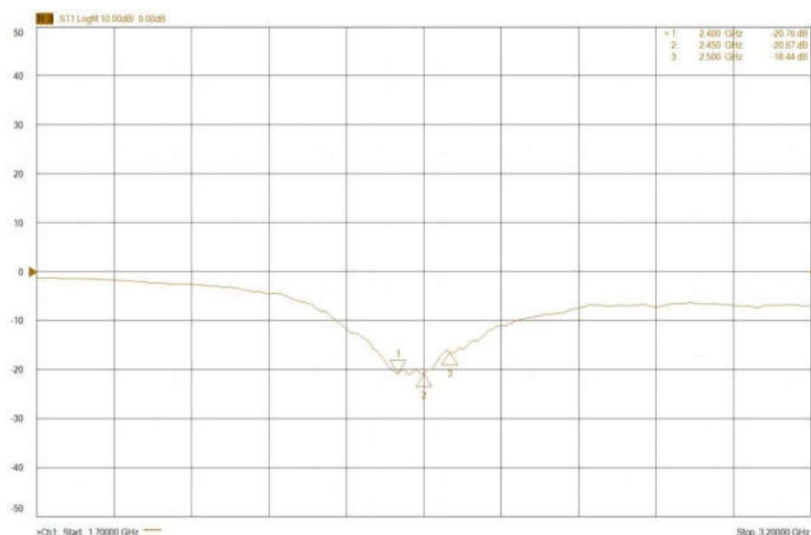

## 2. Electrical characteristics

|                 |                    |
|-----------------|--------------------|
| Frequency Range | 2400MHz to 2500MHz |
| Bandwidth       | 100MHz             |
| Peak Gain       | 5.88dBi            |
| Return Loss     | > 10dB             |
| Impedance       | 50Ω                |
| Polarization    | Linear             |

## 3. Drawing

## 4. Return loss

## 5. Radiation patterns
