

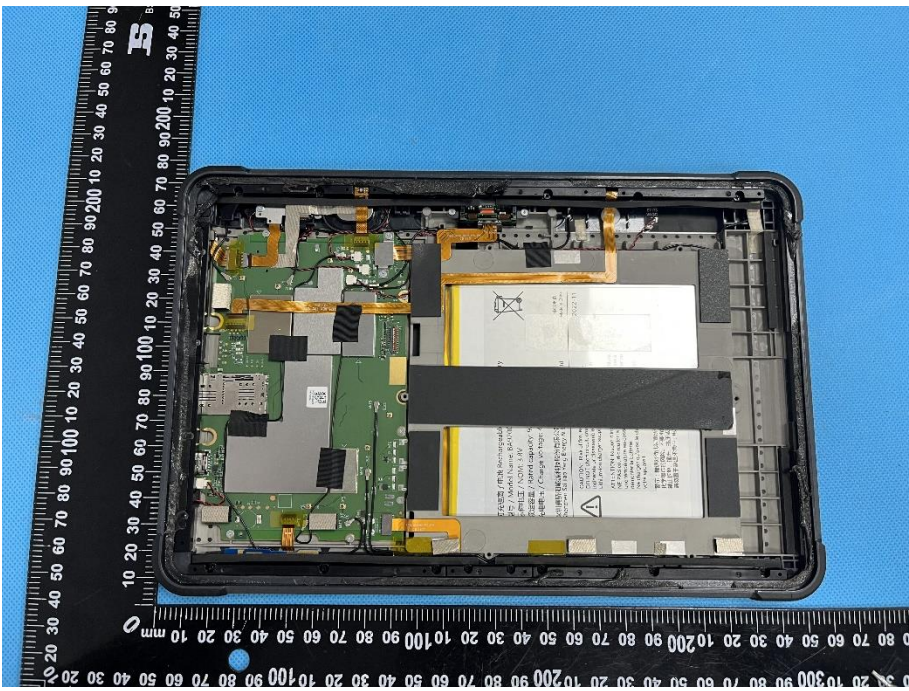

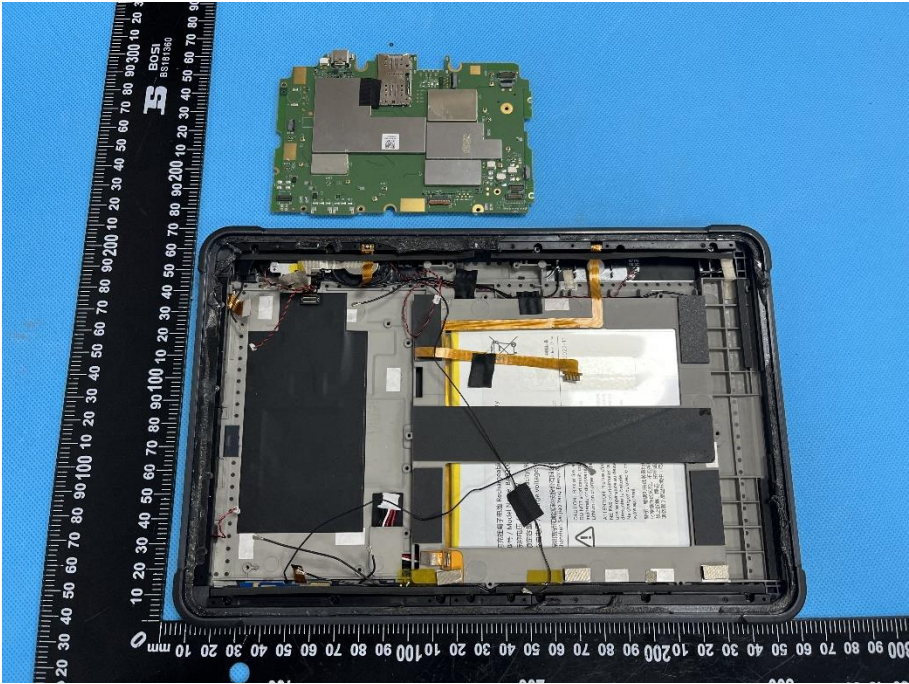

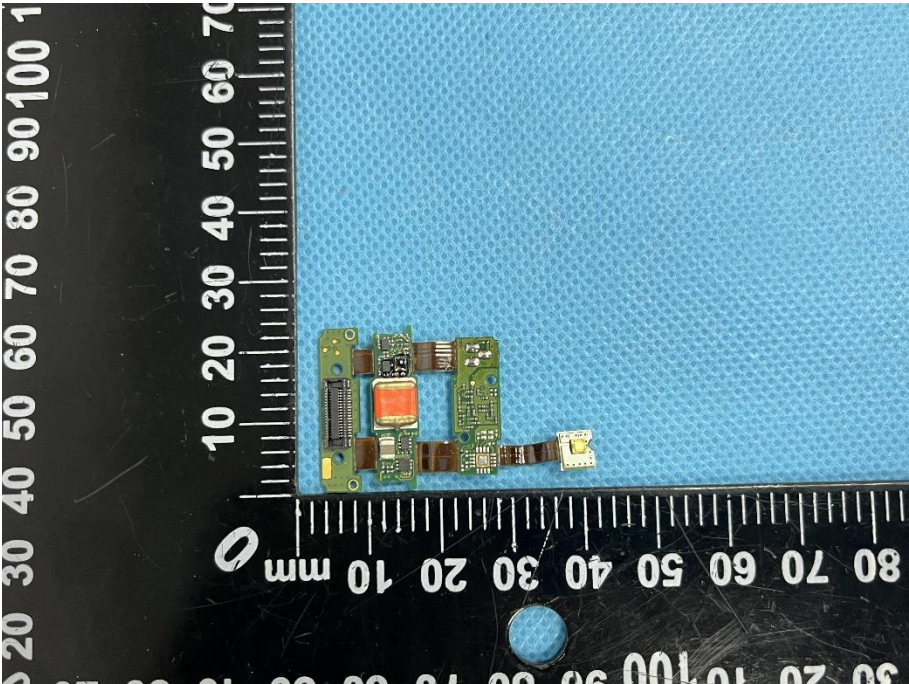

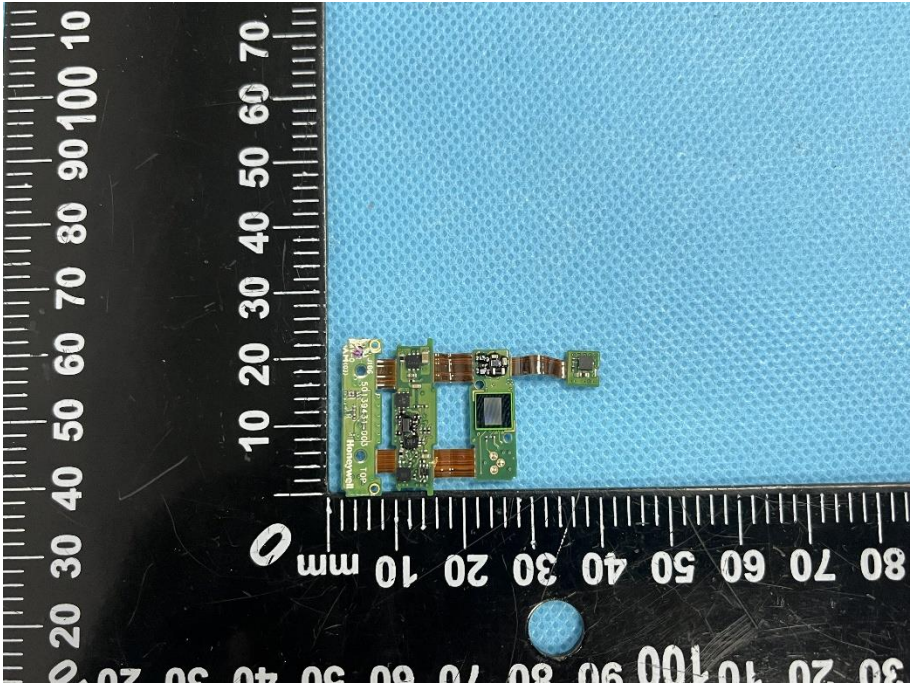

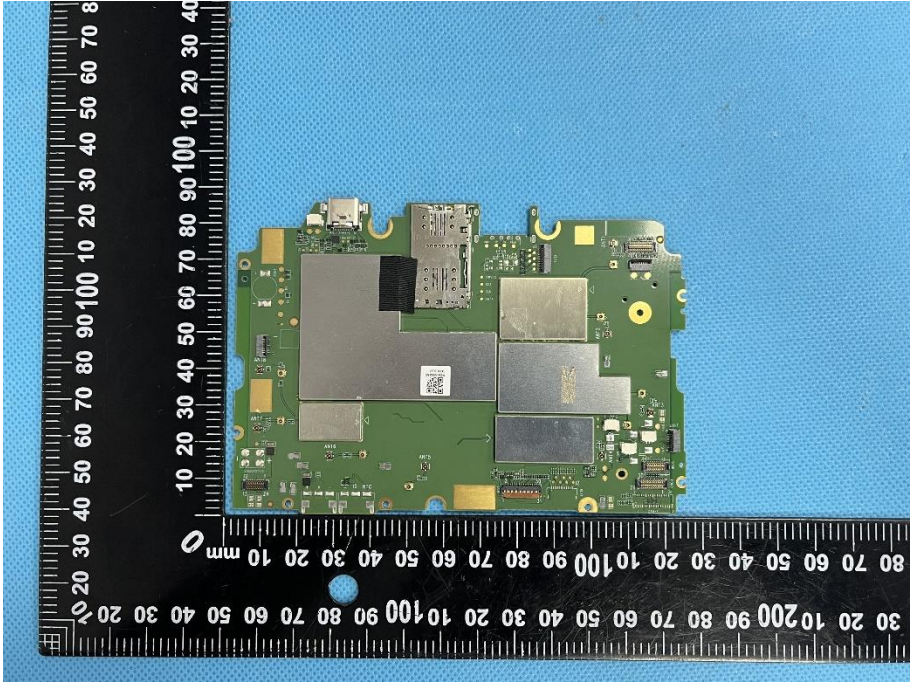

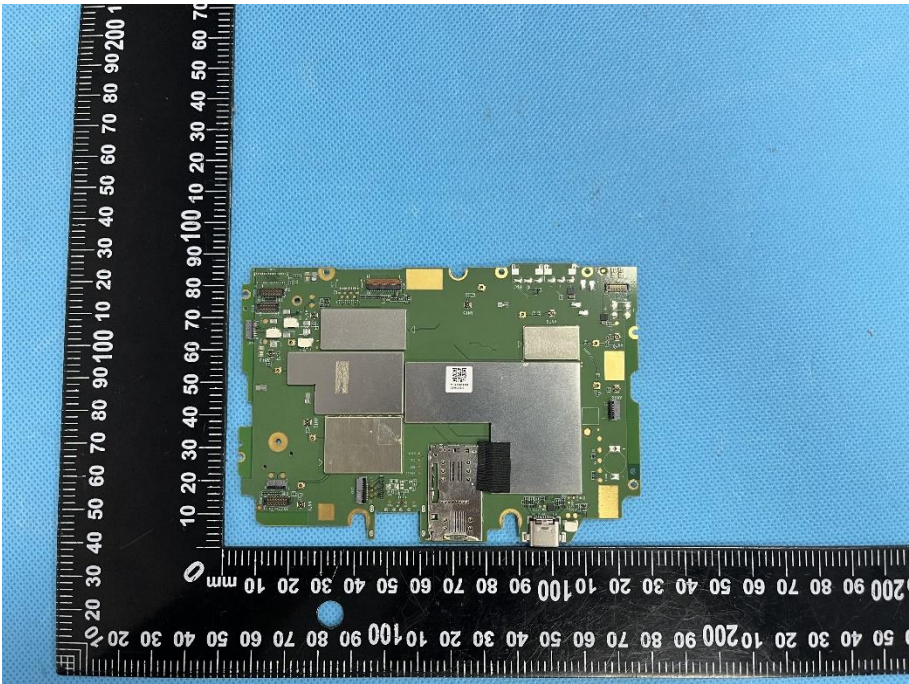

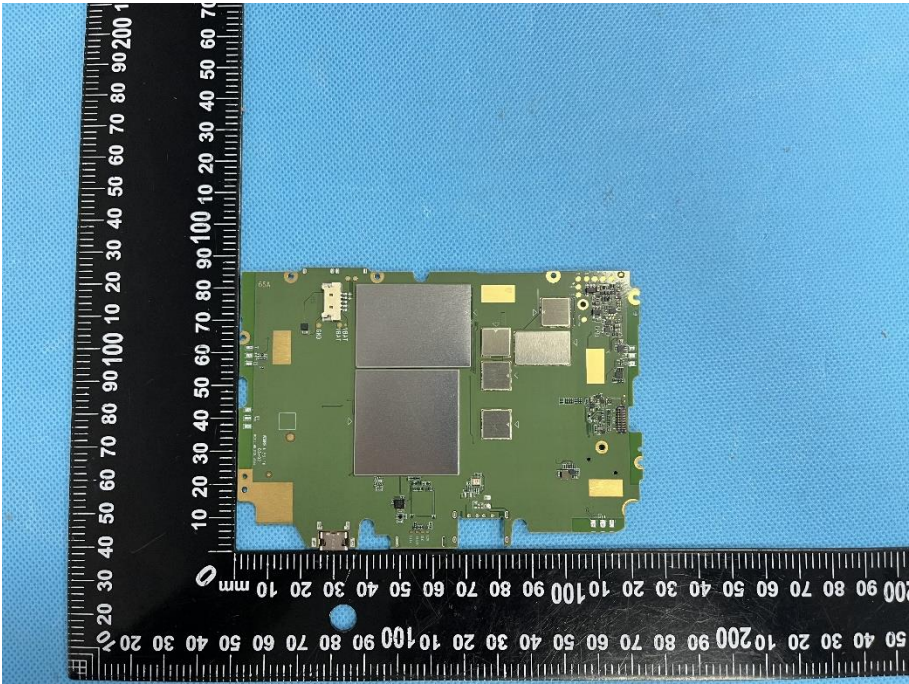

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

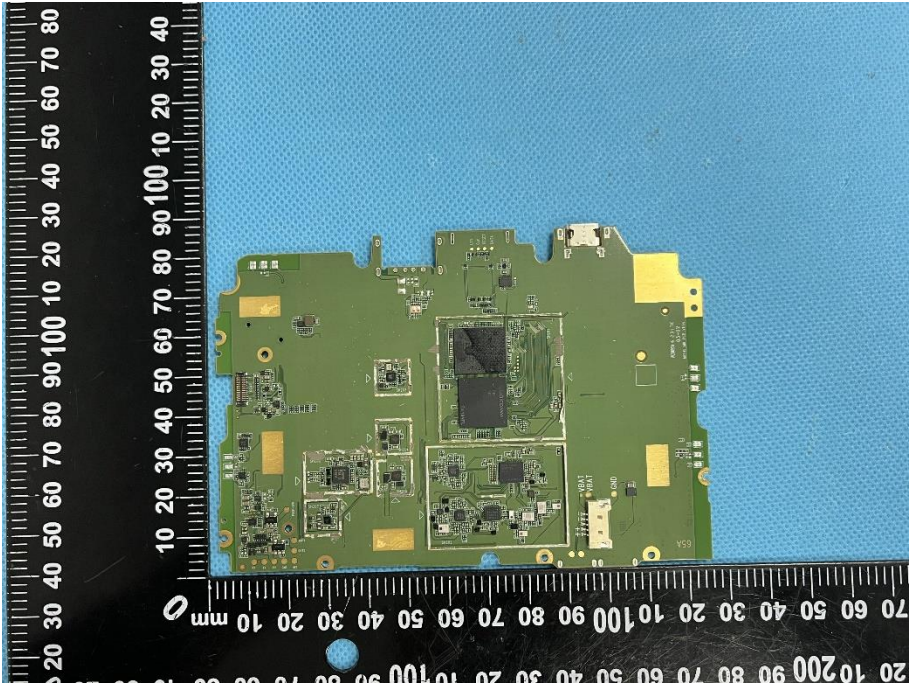

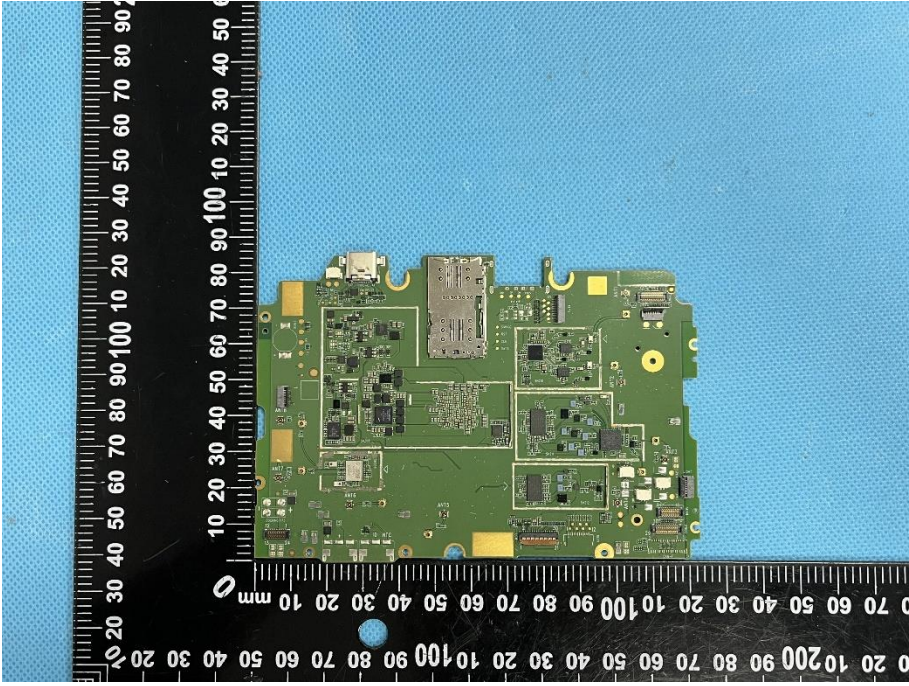

scanning code edition

|                                     |                                                                                                                                                                                                                              |
|-------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>EUT Housing and Board View 1</p> |  A photograph showing the internal components of a device, including the battery, circuit board, and connectors, with a ruler for scale.  |
| <p>EUT Housing and Board View 2</p> |  A photograph showing the internal components of a device, including the battery, circuit board, and connectors, with a ruler for scale. |

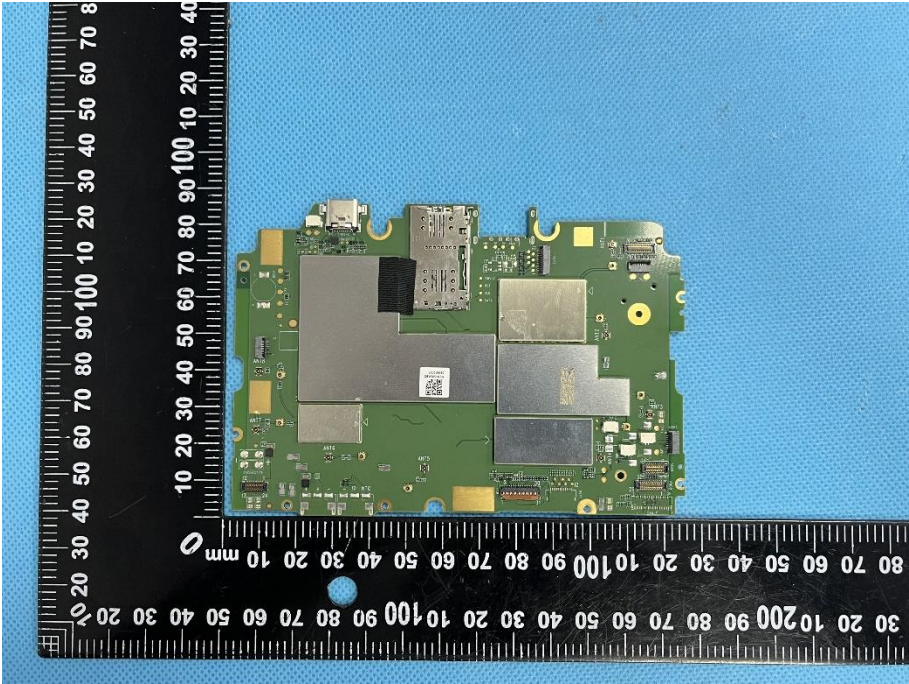

|                                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
|----------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>EUT Housing and<br/>Board View 3</p>      |  A photograph showing the internal components of a device housed in a black plastic casing. A green printed circuit board (PCB) is visible, populated with various electronic components including a large black rectangular component, a battery, and several smaller chips and connectors. A black ruler with white markings is placed vertically to the left of the device for scale, showing measurements in millimeters and centimeters. The background is a blue textured surface. |
| <p>Solder<br/>Board-Component<br/>View 1</p> |  A close-up photograph of a small green PCB component, likely a solder bridge or a small module, resting on a blue textured surface. The component features a small orange square component, possibly a capacitor or a small chip, and several solder joints. A black ruler with white markings is placed vertically to the left of the component for scale, showing measurements in millimeters and centimeters.                                                                       |

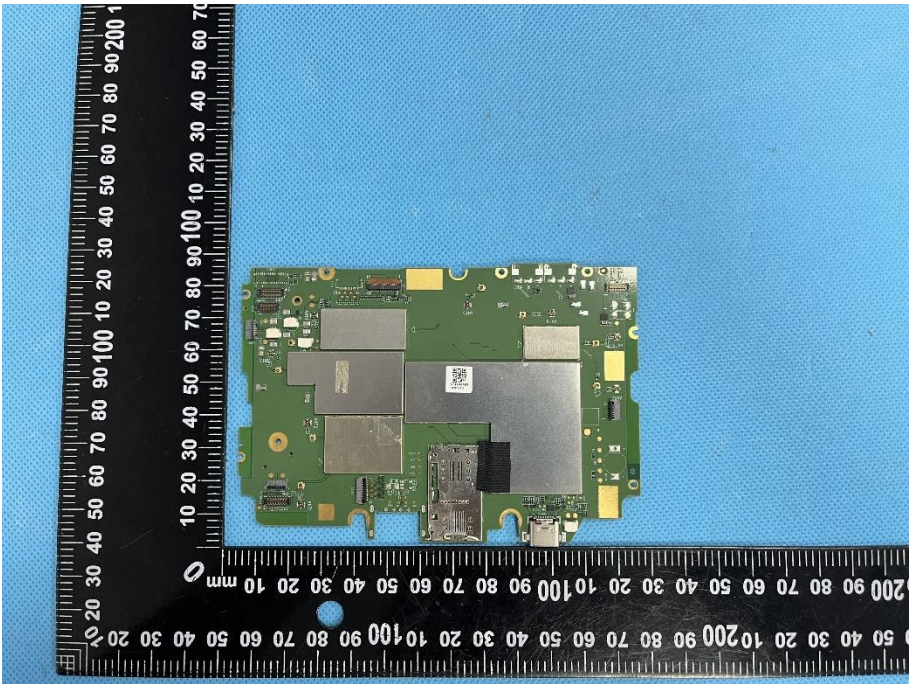

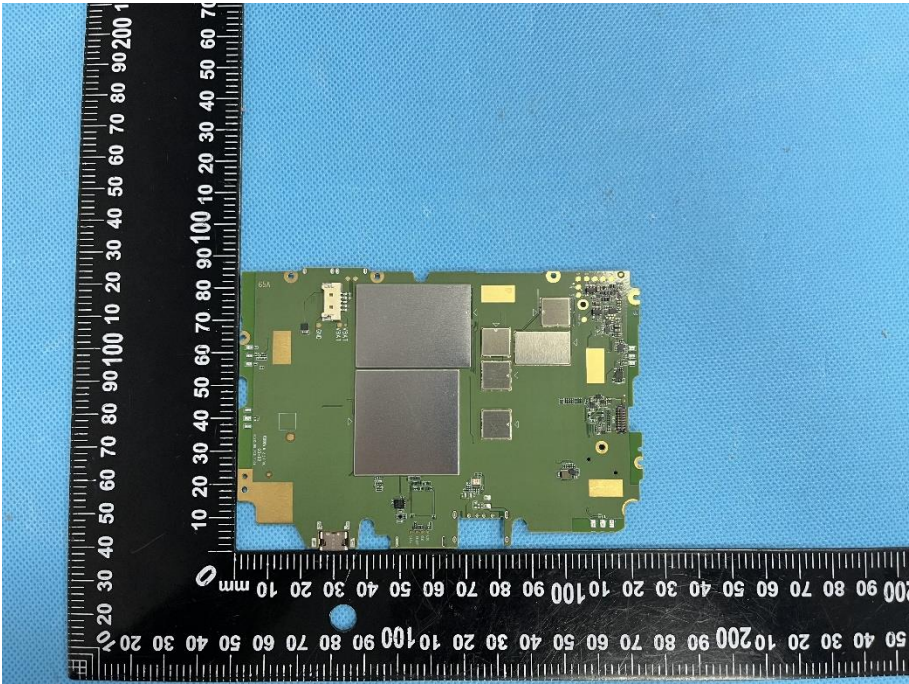

|                                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
|--------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <div>Solder<br/>Board-Component<br/>View 2</div> |  A photograph of a small, rectangular green printed circuit board (PCB) component. The component is positioned horizontally on a blue textured surface. A black ruler with white markings is placed vertically to the left of the component, showing measurements in millimeters. The component has several gold-colored pins or solder points along its edges. A small, dark, rectangular component is visible on the right side of the main PCB.                 |
| <div>Solder<br/>Board-Component<br/>View 3</div> |  A photograph of a larger, rectangular green printed circuit board (PCB) component. The component is positioned horizontally on a blue textured surface. A black ruler with white markings is placed vertically to the left of the component, showing measurements in millimeters. The component features several large, silver-colored rectangular components, likely capacitors or memory modules, and various smaller electronic components and solder points. |

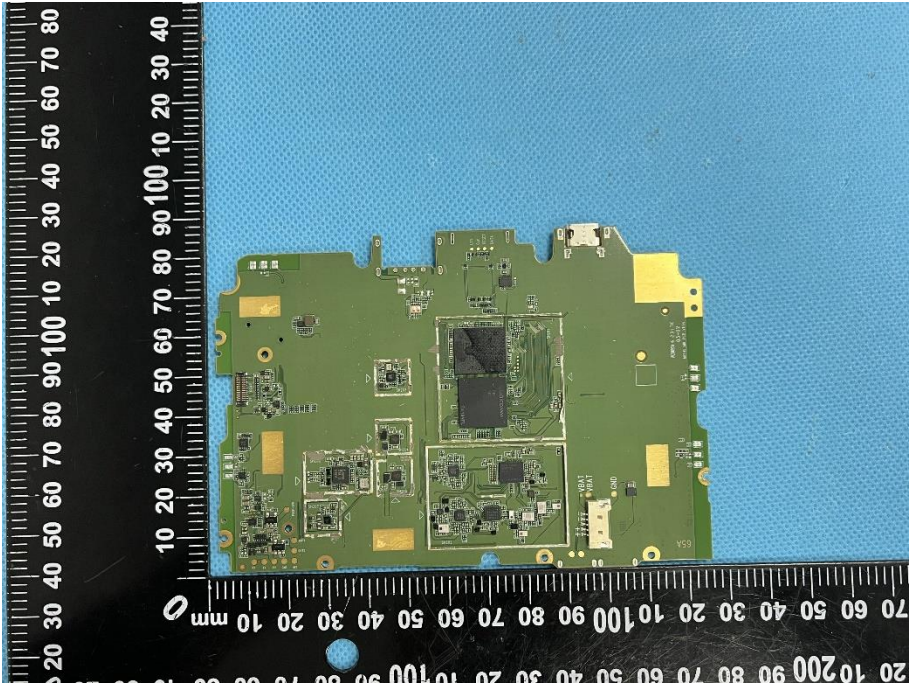

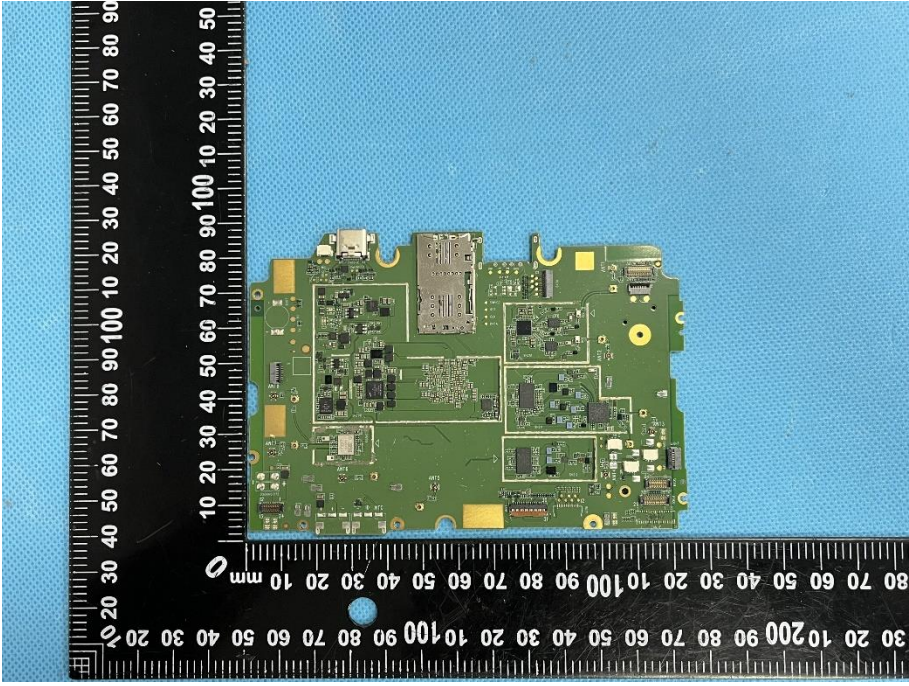

|                                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
|--------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <div>Solder<br/>Board-Component<br/>View 4</div> |  A photograph of a green printed circuit board (PCB) component, labeled 'View 4', showing its solder side. The board is rectangular with several large, dark, rectangular components (likely heat spreaders or shields) and various smaller electronic components. It is placed on a blue textured surface next to a black ruler with white markings in millimeters. The ruler is oriented vertically, showing measurements from 0 to 200 mm. |
| <div>Solder<br/>Board-Component<br/>View 5</div> |  A photograph of the same green PCB component, labeled 'View 5', showing its solder side from a different angle. The board is rectangular with several large, dark, rectangular components and various smaller electronic components. It is placed on a blue textured surface next to a black ruler with white markings in millimeters. The ruler is oriented vertically, showing measurements from 0 to 200 mm.                             |

|                                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
|--------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <div>Solder<br/>Board-Component<br/>View 6</div> |  A photograph of a green printed circuit board (PCB) with various electronic components, including integrated circuits, capacitors, and connectors. The board is positioned next to a black ruler with white markings in millimeters. The ruler is oriented vertically on the left side of the board, with the 0 mm mark at the top. The board is placed on a blue textured surface.                                                                                   |
| <div>Solder<br/>Board-Component<br/>View 7</div> |  A photograph of the same green printed circuit board (PCB) from a different angle, showing the underside or a different side. It features various electronic components, including integrated circuits, capacitors, and connectors. The board is positioned next to a black ruler with white markings in millimeters. The ruler is oriented vertically on the left side of the board, with the 0 mm mark at the top. The board is placed on a blue textured surface. |

|                                                  |                                                                                                                                                                                                                                   |
|--------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <div>EUT Housing and<br/>Board View 1</div>      |  A photograph showing the internal components of a mobile phone, including the battery, circuit board, and housing, with a ruler for scale.     |
| <div>Solder<br/>Board-Component<br/>View 1</div> |  A photograph showing the soldered components on the circuit board, including the battery, circuit board, and housing, with a ruler for scale. |

|                                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
|--------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <div>Solder<br/>Board-Component<br/>View 2</div> |  A photograph of a green printed circuit board (PCB) component, identified as 'Solder Board-Component View 2'. The board is rectangular with several large, dark, rectangular components (likely capacitors or integrated circuits) mounted on its surface. It is positioned next to a black ruler with white markings, which shows measurements in millimeters. The ruler is oriented vertically, with the 0 mark at the top and the 200 mark at the bottom. The background is a light blue textured surface.                      |
| <div>Solder<br/>Board-Component<br/>View 3</div> |  A photograph of the same green printed circuit board (PCB) component, identified as 'Solder Board-Component View 3'. This view shows the opposite side of the board. It features various electronic components, including smaller capacitors and integrated circuits. The board is again positioned next to a black ruler with white markings, showing measurements in millimeters. The ruler is oriented vertically, with the 0 mark at the top and the 200 mark at the bottom. The background is a light blue textured surface. |

|                                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
|----------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>Solder<br/>Board-Component<br/>View 4</p> |  A photograph of a green printed circuit board (PCB) with various electronic components, including integrated circuits, capacitors, and resistors. The board is positioned next to a black ruler with white markings, showing dimensions in millimeters. The ruler is oriented vertically on the left side of the board, with markings from 0 to 100 mm. The board itself is roughly rectangular with some irregular edges. The background is a blue textured surface.                                     |
| <p>Solder<br/>Board-Component<br/>View 5</p> |  A photograph of the same green printed circuit board (PCB) from a different angle, showing the underside or a different side. It features various electronic components, including a large integrated circuit in the center, capacitors, and resistors. The board is positioned next to a black ruler with white markings, showing dimensions in millimeters. The ruler is oriented vertically on the left side of the board, with markings from 0 to 100 mm. The background is a blue textured surface. |
