

Difference Statement

FCC ID: 2A9FB-BTS

DY-BTS35, DY-BTS40, DY-BTS60

The PCB schematic diagram and PCB Layout of the three models are the same. The only difference is that DY-BTS35 and DY-BTS40 have three fan motor, DY-BTS-60 have five fan motor. We choose DY-BTS-60 for RF testing.

A handwritten signature in black ink that reads "Jack Zhang". The signature is written in a cursive style with a loop at the end of the last name.

Jack Zhang /chief inspector
