RE: Request for Change in ID

To Whom It May Concern:

Radmedix, LLC verifies the equipment bearing the modified identification does not differ from the original equipment, there are no differences in terms of both hardware and software. The only difference is branding: the original equipment carries iRay Technology Co. Ltd. brand, the equipment bearing the changed identification carries Radmedix, LLC brand. The original test results continue to be representative of and applicable to the equipment bearing the changed identification. If you required any additional information, please contact us.
