**⚠ WARNING:** To reduce the risk of fire, electrical shock or injury:

- Shock Hazard. To protect against risk of electrical shock, do not plug the power adapter in water or other liquid.
- Use only as described in this manual. Use only manufacturer's recommended attachments.
- Never modify the product or any part of it. Damage or personal injury could result.
- Do not use with damaged cord or power adapter. If appliance is not working as it should, has been dropped, damaged, left outdoors, or dropped into water, return it to a service center.
- Do not pull or carry by cord, use cord as a handle, close a door on cord, or pull cord around sharp edges or corners. Do not run appliance over cord. Keep cord away from heated surfaces.
- Do not operate outdoors.
- This appliance is intended for household use only and not for commercial or industrial use.
- Plug the plug directly into an electrical outlet.
- Do not handle power adapter with wet hands.
- Use the power adapter only in a standard electrical outlet (120V/60Hz).
- Turn off the switch before unplugging.
- Turn off the appliance if you need to remove.
- This appliance shall not be used by children. Keep the appliance and its cord out of reach of children.
- Place the appliance on a still and stable surface when in use.
- Pull the power adapter out of the socket when not in use.
- Never place items on top of the appliance when it is in use.
- Please store the product in a cool and dry location.
- If the chargers and power adapters are damaged, it must be replaced by the manufacturer, its service agent or similarly qualified persons in order to avoid a hazard.

### SAFETY INSTRUCTIONS

**⚠ WARNING:** Have servicing performed by a qualified repair person using only identical replacement parts. This will ensure that the safety of the product is maintained.

- Do not store or use the appliance near high temperature areas and keep away from direct sunlight.
- Use of improper extension cord could result in risk of fire, electric shock or electrocution.
- Do not operate the product if it has received a sharp blow, been dropped or otherwise damaged in any way. Take it to an authorized service center.
- Do not charge the product in explosive atmospheres, such as in the presence of flammable liquids, gases or dust.
- Recharge only with the charger specified by the manufacturer.
- Do NOT splash or immerse in water or other liquids.
- Do not store or use the product in locations where the temperature may reach or exceed 104 °F (40 °C) (such as outside sheds or metal buildings in summer). For best life, store product in a cool, dry location.

### COMPLIANCE

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
