Dear Sir or Madam,

The following application is submitted on behalf of our client, Globe Tracker, for evaluation of their model GTCU-002 for certification under FCC Part 15.231(e).

The Globe Tracker Communication Unit model GTCU-002 INCLUDES A 433 MHz transceiver and a GSM module (FCC ID:R17GE865) and an 802.11b Wi-Fi module FCC ID:2AAZL-GTCU-GS-001. The GTCU-002 system only allows sequential transmission among the radios.

The FCC ID: 2AAZL-GTCU-002 was evaluated in full and was found to be compliant with the aforementioned test requirements.

Sincerely,

Company Officer:
