User's manual

These documents contain detailed system and equipment descriptions and related
information about the product, which Xingmeixing Electronics Co., Ltd. considers to be
proprietary, confidential, and a custom design and otherwise, would not release to the
general public. Since this design is a basis from which future technological products will
evolve, Xingmeixing Electronics Co., Ltd. feels that this information would be of benefit
to its competitors, and that the disclosure of the information in these documents would
give our competitors an unfair advantage in the market.

Please contact me if there is any information you may need.

Sincerely,
