Touch Air Remote

[Regulatory Information]

This device is complied with CE, FCC, KCC Standards.

This device is for only home or office use. Not intended for use in machinery, medical, industrial applications.

This Class B digital apparatus complies with Part 15 of the U.S. Federal Communications Commission (FCC) rules, Canadian ICES-003 and RSS-210. Operation is subject to the following two conditions :

(1) this device may not cause interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. This device is rated as a commercial product for operation at +41°F (+5°C) to +95°F (+35°C).

This device is made strictly in compliance with RoHS and WEEE.

[Disposal of Waste Electrical and Electronic Equipment]

: in the European Union and Other Countries/Regions with Separate Collection Systems

This symbol on the product or its packaging means that this product must not be disposed of with your household waste. Instead, it is your responsibility to hand this over to an applicable collection point for the recycling of electrical and electronic equipment.

This separate collection and recycling will help to conserve natural resources and prevent potential negative consequences for human health and the environment, which inappropriate disposal could cause due to the possible presence of hazardous substances in electrical and electronic equipment.

For more information about where to drop off your electrical and electronic waste, please contact your local city/municipality office, your household waste disposal service, or the shop where you purchased this product.

[Limited Warranty]

- We warrant this device for one(1) year, under normal use and service, on the date of acquisition as shown on receipt or similar proof of payment.
- You must submit proof of payment in the form of a bona fide, dated receipt, or invoice (or a copy) evidencing that you are the beneficiary of this Limited Warranty and that your request for a remedy is made within the Warranty Period.
- This Limited Warranty does not cover, and no warranty of any kind is provided with respect to any subjective or aesthetic aspects of this device.

● This Limited Warranty shall be invalid if this device:

- is used for commercial purposes (including rental or lease).
- is modified or tampered with.
- is damaged by power surge, misuse, abuse, negligence, accident, wear and tear, mishandling, misapplication, or other causes unrelated to defects in this device.
- is damaged by programs, data, viruses, or files, or during shipments.
- is not used in accordance with the accompanying documentation and use instructions.
- is repaired, modified or altered by other such as unauthorized center causes or contributes to any defect or damage.

● Limitation on Duration of Implied Warranties.

: If you are a consumer, you may also have an implied warranty and/or condition under the laws of some jurisdictions, which is hereby limited to the duration of the Warranty Period.

Some jurisdictions do not allow limitations on how long an implied warranty or condition lasts, so the foregoing limitation may not apply to you.

● National statutory Rights.

: This Limited Warranty gives You specific legal rights and You may also have other rights which vary from jurisdiction to jurisdiction.

Where any term of this Limited Warranty is prohibited by such laws, it shall be null and void,

but the remainder of the Limited Warranty shall remain in full force and effect if its allocation of risks is not materially disturbed.
