Re: FCC ID: 2ABLX-150017

To Whom It May Concern:

The following application is submitted on behalf of our client, Qmotion Incorporated, for evaluation of their model QM150017 for certification under FCC Part 15.247.

The QM150017 Hardwire Roller Shade is a wired or wireless window shade based around IEEE 802.15.4 and the ZigBee communications protocol. The shade offers flexibility by using a wireless ZigBee remote (ZigBee Routing device required) or using one of QMotion's wired Ethernet switches. Power is supplied to the shade through its Ethernet connection.

The QM150017 was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,

A handwritten signature in black ink that reads 'R. Sam Wismer'. The signature is written in a cursive, flowing style.
