In re: netis co., ltd
Model Name : N9000

Cover letter

Gentlemen:

I .
3G, GPS, Mobile function will be disabled by the software during the manufacturing and which cannot be changed by the end-user.

II .
Fixed device attestation : This device will be marketed as a Fixed Device with Cradle.
This device will be used with a separation of 20 centimeters or greater between the antenna and the body of the user.
So this device doesn't need SAR Test.
Also, these are stated in manual page 81.

III.
The WLAN module has two TX chain and MIMO function, but this device uses only one TX chain and antenna. Rest of these is disabled by the time attestation is added and it cannot be changed by the end-user.

A handwritten signature in black ink, appearing to be 'Kwang Sik, Bae'.

Kwang Sik, Bae / Deputy General Manager
