Technical drawing of a component with the following dimensions:

- Height: 8.00
- Width: 33.40
- Width of central slot: 24.00

The drawing shows a hatched rectangular area. A callout box provides the following manufacturer information:

- HUAWEI M-Pencil
- Model: (型号) M-Model\_CDS2
- Rated voltage (额定电压): 5V
- Rated current (额定电流): 300mA max./ макс.
- 华为技术有限公司
- Huawei Technologies Co., Ltd.
- 制造商: 华为技术有限公司
- 制造商: Huawei Technologies Co., Ltd.
- 产地: 中国, 广东省, 深圳市, 华为技术有限公司
- 产地: 中国, 广东省, 深圳市, 华为技术有限公司
- CAN (ICES-3(B)/NMB-3(B))
- CEID: XXXXXXXXXX
- FCC ID: 2ABWECS2
- EPA ID: 2ABWECS2

Adhesive area

Printing corner,  
The internal need to paste a 6x6mm QR code label,  
this area can not be coated

A collection of regulatory and quality assurance markings. From left to right: a crossed-out trash bin symbol; the 'KC' logo; the text 'R-XXX-CD52'; the 'OM' logo above the 'NYCE' logo; the 'EAC' logo; and a circular seal containing a '10' with a checkmark and the text 'Warranty 10 years'.

Double-sided printing

Label paste location

A diagram showing a large rectangle with a smaller rectangle cut out of its center. A line points to the top edge of the large rectangle.

**NOTE:**

- 1、material: 0.05mm white PET, adhesive GA835,It is required to stick to the pen holder without residue and can not be lifted;
- 2、single-sided printing;
- 3、The label must meet the RoHS environmental protection requirements, and the standard\* is the key management size.
