How to Wear

This product is a pair of open-ear buds, which do not need to be inserted into the ear canal. The earphones do not have a traditional earhook design. The correct wearing method is as follows:

1. Place the earphone on the ear and adjust the position of the earhook to fit the ear.
2. Adjust the earhook to fit the ear and the earhook to fit the ear.
3. Place the earphone on the ear and adjust the position of the earhook to fit the ear.
