

SPECIFICATIONS:

Number of keys: 68(Hot-swappable Mechanical Switch)
Materials: Aluminum Alloy Body, PBT+ABS Keycaps
Interface: Type-C
Mode: Wired/Bluetooth/2.4G
Bluetooth name: Flow2-68@Lofree
Dimensions: 341.2X137.02X21.5mm

Detailed Operation

Wired Connection:

- Toggle the mode switch to **U**

Bluetooth Connection:

- Toggle the mode switch to **📶**
- Press **fn+R** for 1 second to enter 2.4G mode.
- Status Indicator(Blue light): Indicator flashes quickly, the indicator keeps on for 3s and turns off.

FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
 -Reorient or relocate the receiving antenna.
 -Increase the separation between the equipment and receiver.
 -Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
 -Consult the dealer or an experienced radio/TV technician for help.

This device complies with Innovation, Science and Economic Development Canada licence-exempt RSS standards). Operation is subject to the following two conditions:
 (1)This device may not cause interference,
 (2)The device must accept any interference, including interference that may cause undesired operation of the device.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

- French:
 Cet appareil est conforme aux normes RSS exemptées de licence d'innovation, sciences et développement économique Canada. Les opérations sont autorisées sous deux conditions substantielles:
 (1)l'appareil ne doit pas produire de brouillage, et
 (2)l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique, même le brouillage susceptible d'empêcher le fonctionnement normal du matériel à été évalué pour répondre aux exigences générales d'exposition aux radiofréquences. Le dispositif peut être utilisé dans des conditions d'exposition portables limitées.

Harmful Elements	Lead (Pb)	Mercury (Hg)	Cadmium (Cd)	Hazardous Substances (RoHS)	Polyaromatic Hydrocarbons (PAHs)	Polybrominated Diphenyl Ethers (PBDEs)
Plastic Components	0	0	0	0	0	0
Circuit Board Assembly	0	0	0	0	0	0
Solder Components	0	0	0	0	0	0
Score Points	0	0	0	0	0	0

The table is prepared in accordance with the provisions of SJ/T 11364.

The classification and marking of this product was performed in accordance with the EU directive 2011/65/EU and the revised directive 2015/863/EU.

Indicates that the said hazardous substance contained in all the homogeneous materials for this component is below the limit requirement in GB/T 26572.

XIndicates that this hazardous substance contained in at least one of the homogeneous materials used for this part is above the limit requirement in GB/T 26572.

Note: MAC/IOS system devices do not support multimedia functions under 2.4G & USB connection.

Name and Content of Hazardous Substances in Product:

ENVIRONMENTAL PROTECTION INSTRUCTIONS:
 The hazardous substances contained in the electronic parts of this product will not leak or change under normal use conditions for period often years. During the same period, the electronic components of this product with not cause serious environmental pollution or serious damage to human health or property while the products are being used by the consumer.
 According to the Chinese electronic industry standard SJ/T 11364-2014 and related Chinese government regulations, this product and some of its internal or external components, may have an environmentally friendly use period mark, depending on the component's sales precedence over any certified or identified UL/PJ labels on the product.

Warning:
 If the battery is not replaced properly, there may be leakage or explosion and personal injury hazards.
 -Do not use the battery when there is leakage, discoloration, deformation, or any other abnormality.
 -Do not leave the battery in a discharged or unused state for a long time.
 -Do not short-circuit the product.
 -Battery life varies with usage: Usage batteries should be disposed of in accordance with local laws or thrown away in trash cans for recycling electronic devices.
 -If any liquid accidentally enters the product, please immediately disconnect the power supply and remove the product.
 Continue to use the product may cause fire or electric shock. Please contact the agent or the nearest customer service center for inspection and maintenance.

IC Statement

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada ' s licence-exempt RSS(s). Operation is subject to the following two conditions:

(1) This device may not cause interference. (2) This device must accept any interference, including interference that may cause undesired

operation of the device. L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

1) L'appareil ne doit pas produire de brouillage;

2) L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

FCC Statement

This device complies with part 15 of the Fcc rules. Operation is subject to the following twoconditions: (1) this device may not cause harmful interference, and (2) this device must acceptanyinterferencereceived, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance couldvoid the user's authority to operate the equipment .

NOTE: This equipment has been tested and found to comply with the limits for a Class B digitaldevice, pursuant to part 15 of the fCc Rules.

These limits are designed to provide reasonableprotection against harmful interference in a residential installation. This equipment generatesuses and can radiate radio frequency energy and, if not installed and used in accordance with theinstructions, may cause harmful interference to radio communications. However, there is noguarantee that interference will not occur in a particular installation.
