Photo 19: Front View	Photo 20: Back View
 A photograph showing the front view of a black smartphone lying on a blue surface. A white metric ruler is positioned vertically to the left of the phone, and a white centimeter ruler is positioned horizontally below the phone, both showing measurements in centimeters.	 A photograph showing the back view of the same black smartphone lying on a blue surface. A white metric ruler is positioned vertically to the left of the phone, and a white centimeter ruler is positioned horizontally below the phone, both showing measurements in centimeters. The phone's camera and a small circular sensor are visible on the back.
