

**Annex B.iii. Photograph: Test Setup Photo**

 A photograph showing a blue electronic device on the left connected by a cable to a white rectangular test object on a wooden table. The table is positioned in front of a grey wall with a blue electrical outlet box. A white bottle is also on the table.	 A photograph showing the same setup from a side angle, highlighting the white rectangular test object on the wooden table and the blue electronic device connected by a cable.
Conducted Emissions Test Setup Front View	Conducted Emissions Test Setup Side View
 A photograph of a white rectangular test object on a white reflective table. The table is positioned in a room with white walls and a black and white patterned floor. A black power cord is visible on the table.	 A photograph of the same white rectangular test object on the white reflective table, but from a higher angle looking down. The background shows a white wall and a black and white patterned floor.
