Operating Temperature	0°C to +40 °C

## Specifications

Feature	Description
<b>Dimensions</b> (L x W x H)	100 x 30.8 x 117mm (Weight: 218g)
<b>Power requirements</b>	Power Adapter 65W 19V 3.42A
<b>Operating temperature</b>	0° C to 40° C (32° F to 113° F)
<b>Storage temperature</b>	10° C to 60° C (14 ° F to 140° F)
<b>Operation humidity</b>	10% to 85%, non-condensing
<b>Ports</b>	1 x Type -C with PD function up to 40W (Right) 1 x HDMI2.0 4K@60Hz (Back Right) 1 x Audio/Mic Combo Output Port (Front Left) 1 x SD Card Reader – Capacity up to 2TB (Front) 2 x USB2.0 Type A port (Left) 1 x USB2.0 Type A port (Right)
<b>Specifications</b>	1 x Qi wireless charge up to 5W 1 x Power adapter 65W 19V 3.42A (Back)

### **FCC Warning**

This device complies with FCC Rules Part 15. Operation is subject to the following two conditions:

- This device may not cause harmful interference.
- This device must accept any interference received, including interference that may cause undesired operation

This equipment has been tested and found to comply with the limits for a class B digital device, pursuant to Part 15 of the Federal Communications Commission (FCC) rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment causes harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by doing one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

### **FCC Caution**

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

### **Radiation Exposure Statement:**

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. End users must follow the specific operating instructions for satisfying RF exposure compliance.

This equipment must be installed and operated in accordance with provided instructions and the antenna(s) used for this transmitter must be installed to provide a separation distance of at least 20 cm from all persons and must not be co-located or operating in conjunction with any other antenna or transmitter.

### **RSS**

Canada, Industry Canada (IC) Notices

This device complies with Industry Canada licenseexempt RSS standard(s).

This Class B digital apparatus complies with Canadian ICES-003 and CAN ICES-3(B)/NMB-3(B).

Operation is subject to the following two conditions:

(1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

The IC ID for this device is 12113A-RA843

Canada, avis d'Industrie Canada (IC)

Cet appareil numérique de classe B est conforme aux normes canadiennes ICES-003 et RSS-247&RSS-216

Son fonctionnement est soumis aux deux conditions suivantes: (1) cet appareil ne doit pas causer d'interférence et (2) cet appareil doit accepter toute interférence, notamment les interférences qui peuvent affecter son fonctionnement. L'identifiant IC de cet appareil est 12113A-RA843
