BASIC FUNCTIONS

SWITCHING ON AND OFF

Press the Power button  to turn the speaker on.
Press and hold the Power button to turn the speaker off.

BLUETOOTH PAIRING WITH DEVICE

Press and hold the Power button  for the speaker to enter into Bluetooth pairing mode.

There will be a sound feedback “pairing” from the speaker when pairing is successful.

Note: The last paired device will be connected to the speaker automatically if it is available, after the EUPHO E2 Lite is switched on.

TRUE WIRELESS STEREO (TWS) PAIRING BETWEEN TWO EUPHO E2 Lite SPEAKERS

1. Press and hold both the Volume down button  and the Volume up button  together and the speaker will go into TWS pairing mode.
2. The paired speakers would be paired automatically to each other if there are in proximity to each other.

- 警告：远离火源或直射阳光；内含电池禁止将产品或电池投入明火，会引起爆炸危险
- 警告：请按照当地法规处理电子废弃物和电池
- 警告：不要给小孩子作为玩具当连接外部接线，请原理走道，防止绊倒和产品跌落造成的危险

This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
