

Justification of Label Location

Regarding: E-Label of MWB-300A7., FCC ID: 2AD5KMWB300, IC ID: 22232MWB300

We, **PARTRON CO., LTD.**, hereby declare that the e-label requirements of CFR Title 47 §2.935 Electronic labeling of radiofrequency devices are all met as below:

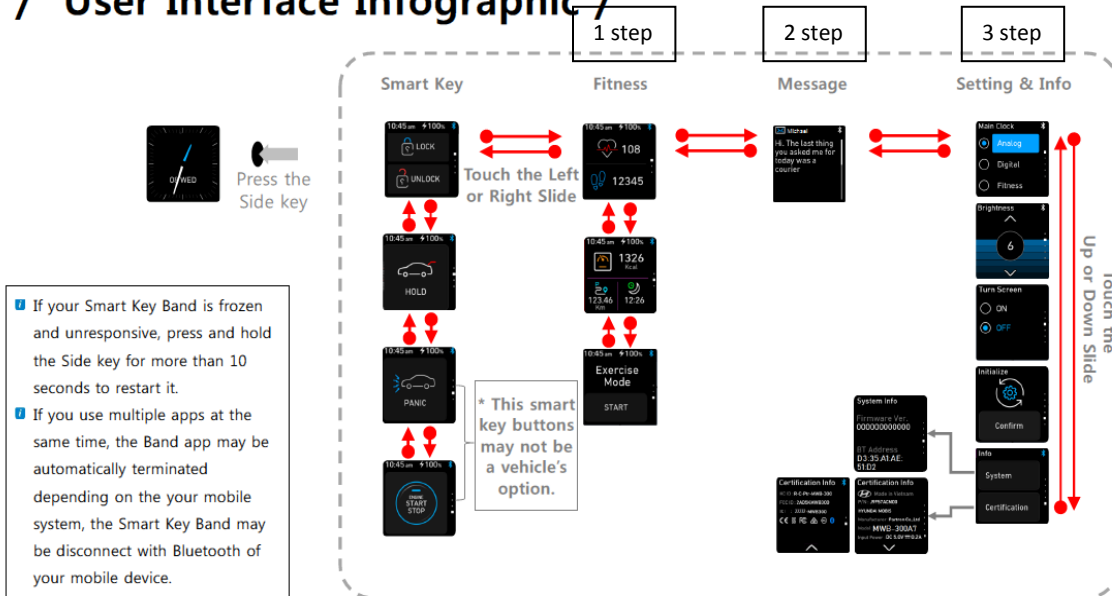

Description	Detailed FCC Requirements	Comply
Applicable Equipment Scope	Device equipped with an integrated electronic display screen, or a RF device without an integrated screen that can only operate in conjunction with a device that has an electronic display screen, e.g. IP Camera, Tablet, Game Console, Media Streaming Devices, Wearable device without display, Wireless USB dongle.	Y
Instructions to access regulatory information provided	Instructions on how to access the information in the operating instructions, inserts in packaging material, or other easily accessible format at the time of purchase. The access instructions may also be provided via the product-related Web site, if such a Web site exists; the packaging material must provide specific instructions on how to locate the Web site information.	Y See below justification 1&2
Three Steps Access	Permit access to the information without requiring special codes, accessories or permissions and the access to this information must not require more than three steps from the device setting menu. The number of steps does not include those steps for use of screen locks, passcodes or similar security protection designed to control overall device access.	Y See below justification 2
Legible W/O Aid	Displayed electronically in a manner that is clearly legible without the aid of magnification;	Y
3rd Party Modification Restriction	Must be secured in such a manner that third-parties cannot modify it.	Y
Additional "Label"	Labeling information must also be labeled, either on the device or its packaging that permits the devices to be identified at the time of importation, marketing, and sales as complying with the FCC's equipment authorization requirements. Devices can be labeled with a stick-on label, printing on the packaging, a label on a protective bag, or by similar means. Any removable label shall be of a type intended to survive normal shipping and handling and must only be removed by the customer after purchase.	Y See below justification 3

1. E-label contents:

- Model name
- Input power
- Manufacturer and Manufacturing location
- FCC ID, IC ID and FCC Logo

2. E-label access instruction in manual screenshot:

/ User Interface Infographic /

3. Physical and Temporary label for purchasing and importation

Describe the physical temporary label is temporary label or the label on the packaging at the time of importation, marketing, and sales

- o FCC label will be printed on the user's manual and packaging permanently.

Model : **MWB-300A7**
 Input Power : 5.0V \equiv / 0.2A
 Manufacturer : Partron Co.,Ltd.
 Made in Vietnam
 KC ID : R-C-Ptr-MWB-300
 FCC ID : 2AD5KMWB300
 IC : 22232-MWB300

Model : **MWB-300A3**
 Input Power : 5.0V \equiv / 0.2A
 Manufacturer : Partron Co.,Ltd.
 Made in Vietnam
 KC ID : R-C-Ptr-MWB-300
 FCC ID : 2AD5KMWB300
 IC : 22232-MWB300

*This e-label will be showed on the display screen
