

Annex B.iii. Photograph: Test Setup Photo

 A photograph showing a wooden table in a test chamber. On the table is a power distribution unit with multiple outlets and a black power cord. The table is positioned on a metal frame with yellow safety feet. The floor of the chamber has some electrical equipment and cables.	 A photograph showing a side view of the same test setup. It highlights the power distribution unit on the table and the cables leading to the equipment under test.
Conducted Emissions Test Setup Front View	Conducted Emissions Test Setup Side View
 A photograph of a test setup in a large anechoic chamber. A white table is covered with a clear plastic sheet. On the table is a power distribution unit and a small electronic device. In the background, a red and black antenna is mounted on a stand. The chamber walls are covered with white absorber panels.	 A photograph of a test setup in a large anechoic chamber. A clear acrylic enclosure is positioned on a white table. Inside the enclosure, there is a small electronic device. The chamber walls are covered with white absorber panels.
