

Annex B.iii. Photograph: Test Setup Photo

 A photograph showing a wooden table in a test chamber. A power distribution unit with multiple outlets is on the table, connected to various equipment. The floor of the chamber is covered with a grey protective mat.	 A photograph showing the side view of the conducted emissions test setup. It includes a power distribution unit on a table, a device under test, and various cables and equipment.
Conducted Emissions Test Setup Front View	Conducted Emissions Test Setup Side View
 A photograph showing the radiated spurious emissions test setup below 1GHz. It features a white rectangular table with a device under test and a power distribution unit. The background is a black and white anechoic chamber wall.	 A photograph showing the radiated spurious emissions test setup above 1GHz. It features a white rectangular table with a device under test and a power distribution unit, enclosed in a clear acrylic Faraday cage. The background is a black and white anechoic chamber wall.
