Re: Change in Identification to FCC ID: 2ADDB-PET-01

Dear Sir or Madam:

I hereby request a change in identification in accordance to CFR 47 Part 2.933 of the FCC rules. The original identification used on the equipment prior to this application for Change in Identification is **2ADDB-NIPRO-01**. The date of the original grant of the equipment authorization is **November 10, 2014**.

I certify that the equipment bearing the modified identification, FCC ID: **2ADDB-PET-01**, does not differ from the original equipment. Change corresponds to the incorporation of the radio in a new host.

I further certify that the original test results continue to be representative of and applicable to the equipment bearing the changed identification.

Sincerely,

Karen DeVincent
