

Ralinwi Nanjing Electronic Technology Co., Ltd.

Declaration of Product Modifications

Date: 2023-09-12

This is to request a Class II permissive change for FCC ID: 2ADGH-6311 originally granted on 04/03/2023.

The major change filed under this application is:

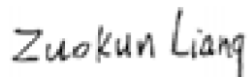

Change #1: The input power supply of the product has been adjusted. Enable the product to work independently.

Change #2: After the software system upgrade, the product does not require interaction control between external control systems and internal modules. After the product is powered on, it can start working independently after identifying the operating system.

Change #3: The manufacturer of power supply IC U8B in the module have been updated. The electrical characteristics and pins of the chip are exactly the same.

Sincerely,

(Signature)
