To Whom It May Concern:

BSX Insight contains a single radio that transmits and receives Bluetooth Low Energy (BLE) and ANT data. BSX Insight is a product family containing 3 model numbers, specifically XM100BLK, XC100BLK and XR100BLK. The 3 models are electrically and mechanically identical with the only differences residing in software.

BSX Athletics requests that the material in the Schematics, Block Diagram and Operational Description be withheld from public discourse pursuant to Sections 0.457 and 0.459 of the Commissions's Rules following grant of the application. A statement of confidentiality will be attached with the application at the time of submittal.

Should you require any further information, please contact the undersigned. Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Nithin Rajan", followed by a horizontal line.

Nithin Rajan
Manager BSX Athletics
