Mobeysens Technologies Inc  
2177 rue Masson, Suite 414  
Quebec H2H 1B1 Canada

Dear Sir or Madam:

Telit Wireless Solution has applied for, and has been granted Federal Communications Commission (FCC) registration number RI7GE865 for its radio module which carries the Telit model number GE865-QUAD.

This letter will grant permission on a one-time basis to Mobeysens Technologies Inc, a company in 2177 rue Masson, Suite 515 Quebec H2H 1B1 Canada, to apply for a "Change of Identification" for the above mentioned radio module, with FCC.

Telit Wireless Solution understands that Mobeysens Technologies Inc must make this change in order to comply with Federal Communications Commission (FCC) regulations that apply to the installation of this radio into the Mobeysens Technologies Inc. portable application called SenseDoc 2.0. Mobeysens Technologies Inc is applying for FCC identifier 2ADVPSDQUAD for this device.

Telit is supplying the GE865-QUAD to Mobeysens Technologies Inc, unmodified and equivalent to the originally certified unit.

The device is being supplied to the applicant unmodified and equivalent to the original approved unit.

The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

Sincerely,

A handwritten signature in blue ink, appearing to read "Brian Tucker", written over a horizontal line.

Brian Tucker  
Global Vice President of Quality  
Telit
