

# Authorization Letter from Original Applicant (For change of ID application)

| Reason for Amendment (current / obsolete) | Revision History |     | Approved Date |
|-------------------------------------------|------------------|-----|---------------|
|                                           | From             | To  |               |
| Initial Release (obsolete)                | 1.0              | 1.0 | Dec-02-2006   |
| Updated company template (current)        | 1.0              | 2.0 | Jan-31-2012   |
|                                           |                  |     |               |
|                                           |                  |     |               |
|                                           |                  |     |               |
|                                           |                  |     |               |

June 24, 2015

Federal Communications Commission

To Whom It May Concern:

The letter grants authorization for representative of MivaTek Limited to apply the FCC for a change in identification. This authorization applies to Zhuhai FTZ Oplink Communications, Inc., FCC ID: OS3WPS01, granted on 11/21/2013. The equipment is electrically identical. The only change being the label on the device. The original test results, technical information and relevant documents continue to be representative of and applicable to the changed equipment.

Should there be any question, please feel free to contact us.

Sincerely,

A handwritten signature in black ink, appearing to read "Lizhi Li".
