Re: Request for confidentiality

Applicant: Iotera

FCC ID: 2AEGWIOTA001, 2AEGWHB001

To whom it may concern,

Permanent Confidentiality

Request is hereby submitted by Iotera to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

Schematics
Detailed Block diagrams
Detailed Operational/Functional Description
Tune up procedure
Parts list

Rationale for request for confidentiality:

Iotera has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

The fee for confidentiality has been submitted along with the fee for certification. If you have questions or need further information, please contact the undersigned.

Sincerely,

A handwritten signature in black ink that reads "Ben Wild". The signature is written in a cursive, flowing style.

Ben Wild
CEO, Iotera
