Re: Authorized Personnel for Grantee Code 2AEIM

To Whom It May Concern:

I currently serve as Tesla Motors, Inc's (Tesla) grantee contact (Grantee Code 2AEIM) for Federal Communications Commission (FCC) equipment authorizations. As prescribed in KDB 852134 Authorized Policy Form 731, I authorize the following personnel to act on Tesla's behalf with regard to all matters that relate to FCC equipment authorization (i.e., signing Form 731, attestation letters, and confidentiality request letters). These individuals also are authorized to assign additional persons to act on Tesla's behalf as authorized agents.

Authorized Personnel:

- Peng Zhang

This authorization is valid until further written notice from any of Tesla's authorized grantee contacts.

Sincerely Yours,

Sean Lui
