Ref: **§15.19 Statement for FCC ID: 2AEJS-PC0100**

To whom it may concern:

Label information of this device is included using laser engraved technique in a curved metal part. Due to limitations of this technique, it is impracticable to include long sentences and keep them readable. For that reason the information to be included should be limited to short text and a labelling area of 21.8mm x 19 mm.

While keeping the FCC ID information the label, the statement required by §15.19 (3) is included in a prominent location in the instruction manual according to the requirements §15.19 (5):

*(5) When the device is so small or for such use that it is not practicable to place the statement specified under paragraph (a) of this section on it, the information required by this paragraph shall be placed in a prominent location in the instruction manual or pamphlet supplied to the user or, alternatively, shall be placed on the container in which the device is marketed. However, the FCC identifier or the unique identifier, as appropriate, must be displayed on the device.*

Sincerely,
