RE:

FCC ID: 2AETJ-1229

Dear Sir/Madam:

Harmony Swan LLC and its affiliates hereby write to respectfully request confidential treatment of the items described below. Each of these items were attached as exhibits to the equipment authorization application for FCC ID No. 2AETJ-1229. Harmony Swan LLC submits this request pursuant to 47 C.F.R. §0.457 and 47 C.F.R. §0.459.

Confidentiality in the Short-Term

In the short-term, please grant us 180 days of confidential treatment (from the date of grant of the equipment authorization for FCC ID No. 2AETJ-1229), for the following confidential materials that are in our application because disclosure of this information prior to our marketing of our device would be detrimental to our business and impair our ability to successfully launch the device:

- User manual/Quick Start Guide
- Test setup photos
- Internal photos
- External photos

These items contain proprietary information about our device that is not publicly available, and we only share this information with 3rd parties will to maintain the confidentiality of the information.

Confidentiality in the Long-Term

In the long-term, please grant us indefinite confidential treatment for the following confidential materials contained in our application because if this information is disclosed, our competitors would gain an unfair advantage over us by learning about our product designs and development. This would then result in significant harm in our ability to compete in a very competitive market place:

- Antenna Specifications
- Schematics
- Block diagram
- Operation description

These materials contain sensitive technical and design information about our device that we would only share on a need-to-know basis, subject to confidentiality agreements, even after we begin marketing and selling the device.

Should there be any questions or concerns, please do not hesitate to contact me. Thank you very much.

Truly yours,

Marsha Walsh
