

Wireless Usage Declaration – M10

We, Nimble Wireless, hereby declare that our product M10W (Model: M10-506-W) includes a Wi-Fi IC (nRF7002) and a BLE & Thread IC (nRF5340).

However, the end product M10 utilizes only the Wi-Fi functionality. The BLE and Thread feature will be disabled through software and will not be used in the final product.

Company: Nimble Wireless
