

## Deeper Start Specifications

Product name:	Deeper Start
Model number:	DP2H10S10
Colour:	Black and orange
Size:	60x65x65
Weight:	60g
Construction:	ABS
Compatibility:	From iOS 9.0 and Android 4.1 to the latest iOS and Android devices
Sonar type:	Single beam
Ultrasound working frequency:	120 kHz
Depth Range Max/Min:	50 m/0.5 m
Sonar Scan Rate:	Variable, up to 10 scans/s
Working time:	Up to 6 hours
Temperature:	Water surface temperature sensor
Temperature Unit:	Celsius/Fahrenheit
Operational Temperature:	0°C to 40°C/32°F to 104°F
Internal Battery:	Lithium Polymer, 3.7V Rechargeable, 850mAh
Power Supply:	5V DC, 650mA max
Power Adapter (not included in the box, recommended):	Input AC 110V/240V. Output Micro USB, 5V 450mA
Connectivity:	Wireless Wi-Fi connection 802.11 b/g 2.412GHz 1channel 802.11 b max TX power +20dBm, sensitivity -91dBm 802.11 g max TX power +17dBm, sensitivity -75dBm
Connection Range:	Up to 164ft (50 m). Depends on the OS and smartphone model
