Charge Port  
(back)

#### Pairing:

1. Take the earbuds out of the case. One of the earbuds flashes red and blue, while the other earbud is off, indicating that the right and left earbuds have synced to each other.
2. Go to Bluetooth® Settings on your mobile device.
3. Turn Bluetooth® ON, on your device.
4. On your Bluetooth® device, select "BY-BE-225" from the list of available devices.
5. Once successfully paired, a tone will be heard.

(NOTE: The headset enters the search pairing status for about 5 minutes. If it is not connected to the device after 5 minutes, the headset will automatically shut down.)

#### Using the Earbuds:

- To Play/Pause music: On either earbud, Short press control surface to Play or Pause music.
- To Answer/End a call: On either earbud, Short press control surface to answer or to end a call.
- To Reject a call: On either earbud, Long press control surface for 1.5 seconds.
- Previous song: Double-click the left earbud's control surface.
- Next song: Double-click the right earbud's control surface.
- Increase volume: Triple-click the left earbud's control surface; increase to maximum volume until you hear a "maximum prompt sound".
- Decrease volume: Triple-click the right earbud's control surface; decrease to minimum volume until you hear a "minimum prompt sound".

#### Charging:

1. Replace the earbuds in the case.
2. Connect the USB Type-C charging cable to the charging port in the base of the case.
3. Plug the cable into a standard USB 5V/1A or higher power output charger outlet.

When you plug the case into a charging mechanism, the case indicator light will flash and the earbuds indicator lights will glow steady red. When fully charged the case will glow steady red, and the earbud lights will shut off.

4. When fully charged, unplug the charging cable from the power source.

If you want to charge the earbuds from the charge case internal battery, simply replace them in the case.

#### Powering ON/OFF

Automatic Power ON/OFF: Earbuds will automatically power On when taken out of the charging case, and will power OFF when placed back in the charging case for charging.

#### Using Siri or Google Assistant

On either earbud, Long press control surface for 2 seconds and release it after hearing a "beep" sound to activate your AI assistant. The AI assistant on your device must be setup prior to this operation.

#### Warnings:

- Do not use this unit for anything other than its intended use.
- Do not puncture, throw, drop, bend, or modify this product.
- Do not throw this product into fire or water.
- Do not short-circuit the battery with any metal or metallic objects.
- Do not expose this product to corrosive liquids such as salt water.
- Do not operate the unit if it has been wet or moist to prevent against electric shock and/or injury to yourself and damage to the unit.
- Do not allow children to play with this product as it is not a toy, and may present a choking hazard.
- Avoid leaving your device in direct sunlight, such as on the dashboard, console, or seat of a vehicle.
- Do not leave your device, or use your device, in any area where the temperature is likely to drop below 32°F, or may exceed 140°F, such as inside a closed vehicle on a hot day.
- Repairs to electrical equipment should only be performed by a qualified electrician. Improper repairs may place the user at serious risk.
- Protect your hearing by always listening at a safe level. Prolonged use at elevated volumes may affect your hearing capacity and could result in hearing loss.
- Use the earbuds with this charging case only.
- To avoid damage to the charging case, please only use a USB 5V/1A or higher charger.
- In order to ensure the battery life, charge normally at least once a month.

#### Specifications:

- Input Power: 5V—1A
- Driver Diameter: 10mm
- Frequency Response: 20 Hz-20 khz
- Earbuds Capacity: 30mAh
- Power Bank Capacity: 200mAh
- Charging Time: Up to 1.5 Hours
- Charging Interface: Type C USB
- Talk/Music Time: Up to 4 hours (dependent on volume level)
- Total Play Time: 16 Hours
- Standby Time: Up to 12 Hours
- Transmission Range: Up to 33 feet

#### Features

- OWS Open Wearable Stereo earbuds - enjoy listening to music while being open to the sounds from your environment
- Touch Control
- Charging case included
- Hands-free
- LED light indicator
- Supreme sound
- Precharged and ready to use
- Charging case charges earbuds up to 3X times

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
  - Increase the separation between the equipment and receiver.
  - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
  - Consult the dealer or an experienced radio/TV technician for help.
- Caution: Any changes or modifications not expressly approved could void the user's authority to operate the equipment.
- \*Up to 4 hours of earbud playtime, plus 12 hours from the charging case.

USB Cable rating 5V-1A Max.  
**CAUTION: FOR YOUR SAFETY.** The charging cable is labeled with this text to be intended for use with the product only.
