- "BALANCED"**
Even sound with no additional sound enhancements
- BEST FOR**
Podcasts, Audiobooks, Classical music
- "BASS BOOST"**
Amplified bass and sub-bass
- BEST FOR**
Working out, sport and fitness, hip-hop, rap, electronic

FIND YOUR FIT

Try all ear tips for best fit and proper seal.

Place the earbud in the ear canal and slightly rotate to adjust for best fit.

QUICK TIPS

- The left or right earbud can be used independently for music and phone calls. Simply choose one and take out of the case to connect.
- Only ONE Bluetooth device can be connected at a time. Turn off Bluetooth on unwanted devices and turn on Bluetooth on chosen device to connect.
- Fully dry off earbuds before putting in the charging case to avoid any damage to the case. The earbuds are sweat/water resistant but the case is not.

TROUBLESHOOTING CONNECTION FAILURE OR EARBUDS DISCONNECTED FROM EACH OTHER (MANUAL RESET)

- Keep the earbuds in the charging case and forget "JLab GO 2" from your Bluetooth device settings.
- Quick tap 7x on one earbud in charging case. Earbud blinks blue 4 times.
- Quick tap 7x on other earbud in charging case. Earbud blinks blue 4 times.
- Take both earbuds out of the charging case. One earbud will be solid white and other will blink blue/white indicating ready to pair to your device.

- Lab Quality Sound**
Choose from different settings and customize your sound style to match exactly what you're doing.
- Surprisingly Awesome Value**
We bring you the most functionality and fun into every product at a truly accessible price.

#yourkindo tech

PAIR UP

- Remove pull tab. The charging case light will shine red 3 seconds then turn off.
- Remove earbuds by pulling straight up or from side.
- One earbud will blink blue/white while the other earbud is a solid white indicating ready to pair to your device.

4. Select "JLab GO 2" in your device's Bluetooth settings to connect.

Voice prompt: "Bluetooth Connected" will indicate you are connected.

ADDING NEW/ADDITIONAL BLUETOOTH DEVICES:

Turn OFF Bluetooth from any previously connected device. Turn ON Bluetooth from new device. Take earbuds out of the case. Earbuds will automatically enter Bluetooth Pairing. Select "JLab GO 2" in device settings to connect.

GET CHARGED (EARBUDS)

- Earbuds will power off when placed in the case. Solid red 3s, then off (100-20% charge case).
- Then pulsing blue light indicates earbuds are charging and turns off when fully charged.
- Earbuds will auto power on and connect to your device when removed.

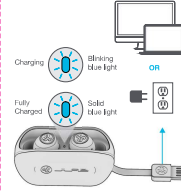

GET CHARGED (CASE)

Connect the OP 2 into a computer or USB 9V 1A or faster output device.

Charging: Blinking Blue Light

OR

Fully Charged: Solid Blue Light
