Ref: FCC Class II Permissive change for FCC ID: 2AIRN-002  
(Original Grant date: 04/11/2018)

Dear Examiner,

This is to request a Class II permissive change for Wearable video camera,  
Model Name: 002, FCC ID: 2AIRN-002.

The major change field under this application is:

- Changed the Antenna element and layout;
- The outer casing changed to two styles "Nico" and "Veronica", they are electrically identical except have different antenna and out casing only;
- Software version update and changed the Man-machine Interface.

We declare there have been no changes to the PCB, RF parameter and Antenna location. The E-label implementation and Safety and Regulatory Information using in the original grant are still in place.

Also, please note the following with respect to this application:

- SAR and RSE testing are performed to demonstrate compliance.
- Conducted transmit power follows that used in original application.
- Software security remains unchanged from the original application.

Sincerely
