AUMEO WARRANTY - SIDE B - INSIDE

SAFETY INFORMATION

USE RESPONSIBLY

Do not use audio device when it is unsafe to do so: while operating a vehicle, crossing the street, or during any activity or in an environment where your full attention to your surroundings is required.

LISTEN RESPONSIBLY

To avoid hearing damage, make sure that to check the volume on your audio device and the media player before playing audio. Gradually turn up the volume until you reach a comfortable listening level. Noise levels are measured in decibels (dB); exposure to any noise at or above 85 dB can cause gradual hearing loss. Monitor your use; hearing loss is a function of loudness versus time. The louder it is, the less time you can be exposed to it. The softer it is, the more time you can listen to it.

To prevent possible hearing damage, do not listen at high volume levels for long periods.

NOT A MEDICAL DEVICE

Audio device and app are not designed or intended for use in the diagnosis of disease or other conditions, or in the cure, mitigation, treatment, or prevention of disease.

MEDICAL CONDITIONS

If you have any medical condition that you believe could be affected by audio device (for example, seizures, blackouts, eyestrain, or headaches), consult with your physician prior to using audio device.

BATTERIES

The batteries shall not be exposed to excessive heat such as sunshine, fire or the like.

REGULATORY NOTICES

FCC COMPLIANCE STATEMENT

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radi-ate radio frequency energy and, if not in-stalled and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or the dealer's website for help.

EU COMPLIANCE STATEMENT

We hereby declare that this product complies with the essential requirements and other relevant provisions of the applicable EU Directives.

DISPOSAL AND RECYCLING INFORMATION

The symbol indicates that this product and/or battery should not be disposed of with household waste. When you decide to dispose of this product and/ or its battery, do so in accordance with local laws and regulations.

CAUTION STATEMENT

Risk of Explosion if battery is replaced by an incorrect type. Dispose of used batteries properly. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

WARNING

- Do not expose audio device to liquid or excessive heat.
- The connection to USB interfaces has to be limited to USB 2.0 version or higher. The connection to so called power USB is prohibited.

DECLARATION OF CONFORMITY

Hereby, ACE Communications Limited, declares that this AUMEO AUDIO AUMEO V.1 is in compliance with the essential requirements and other relevant provisions of Directive 1999/5/EC.

The normal function of the product may be disturbed by Strong Electro Magnetic Interference. If so, simply reset the product to resume normal operation by following the instruction manual. In case the function could not resume, please use the product in other location.

BLUETOOTH® TRADEMARK USAGE

The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by ACE Communications Ltd. is under license. Other trademarks and trade names are those of their respective owners.
