RF exposure statement for FCC (to be included in User Manual)

This statement is valid for the following models:

- COMMUNICATION-MODULE 4 MID 0101 NA
- C400 ECU MID 0101 NA 4.5G

This device complies with Part 15 of the FCC Rules. Operation is subject to the following conditions

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received,
Including interference that may cause undesired operation.

Changes or modifications not expressly approved by partly responsible for compliance could void user's authority to operate the equipment.

Radio frequency Radiation Exposure Information:

This equipment complies with FCC radiation exposure limits set for uncontrolled environment.
This equipment should be installed and operated with minimum distance of 20 cm between the device and user body.

A handwritten signature in black ink, appearing to read "Thomas Hermanns".
