To Whom It May Concern,

We, United Technologies Electronic Controls Inc. declare that the device does not support any non-US channels or country code selection in all of the operational modes, like Ad-Hoc...etc. for the following product. For this Product the US country code is implemented through software which locks out channels 12 and 13 allowing operation only with channels 1 through 11.

Sincerely,

A handwritten signature in black ink that reads 'Gregg Householder'.
