

Solder Board-Component View 2	 A photograph of a small, rectangular printed circuit board (PCB) component. The board is populated with various electronic components, including integrated circuits, capacitors, and resistors. It is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters (0 to 100) and centimeters (0 to 10).
Antenna View	 A photograph of the same PCB component, now mounted inside a white plastic housing. The component is oriented vertically. Three red rectangular boxes highlight specific antenna locations on the board. Red lines connect these boxes to labels: 'Zigbee/Thread Ant' (top left), '2.4G WIFI Ant 2' (top right), and 'BLE/2.4G WIFI /5G WIFI Ant 1' (bottom center). The background is a blue textured surface.
