

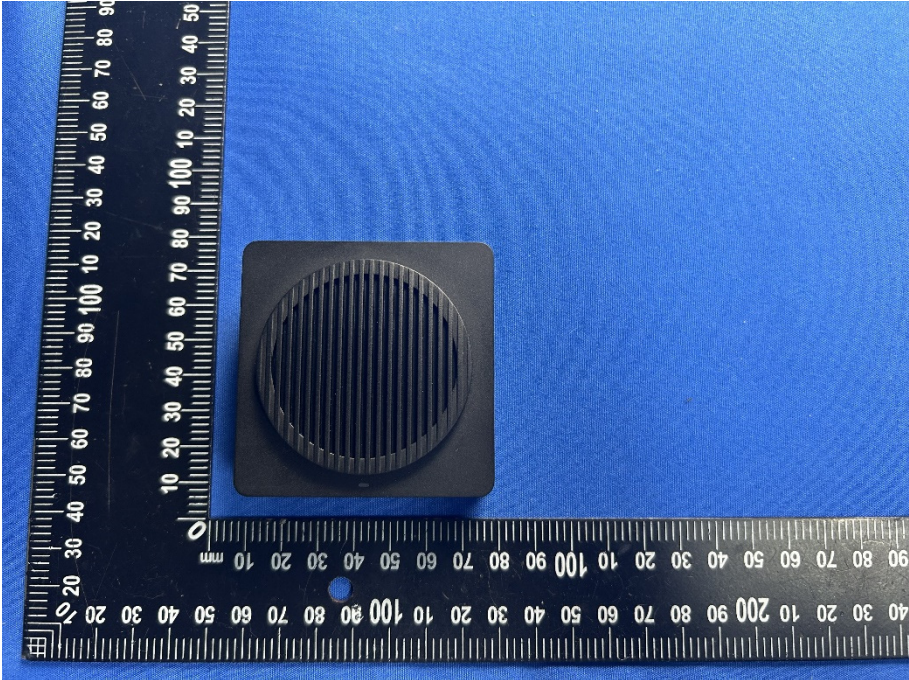

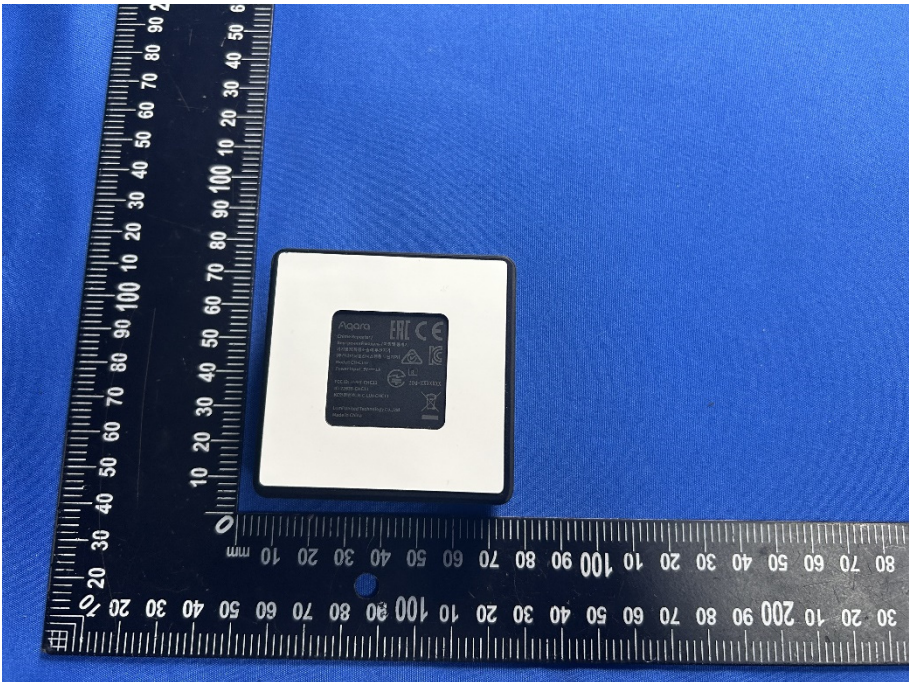

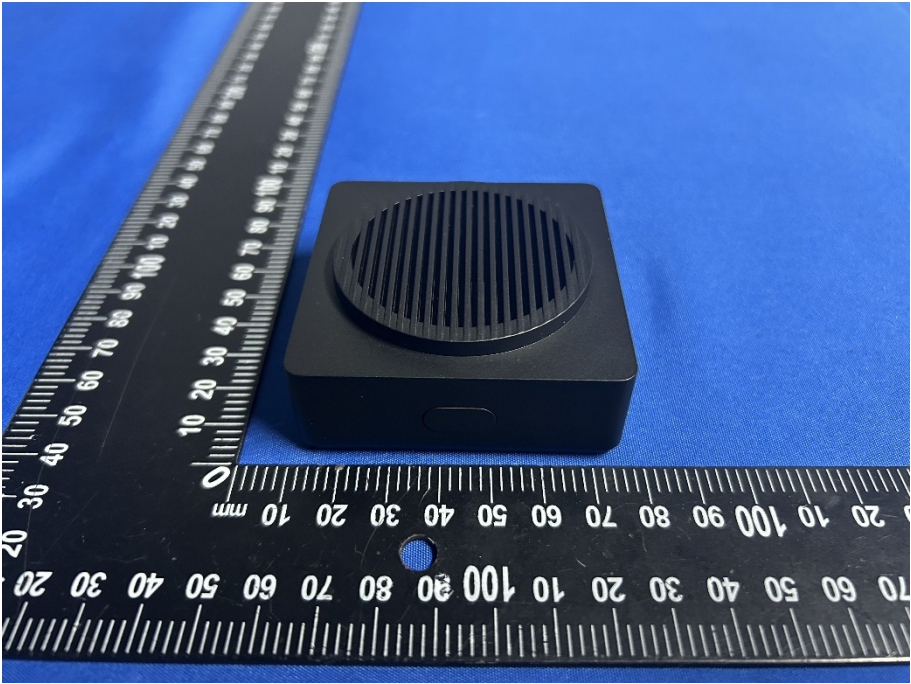

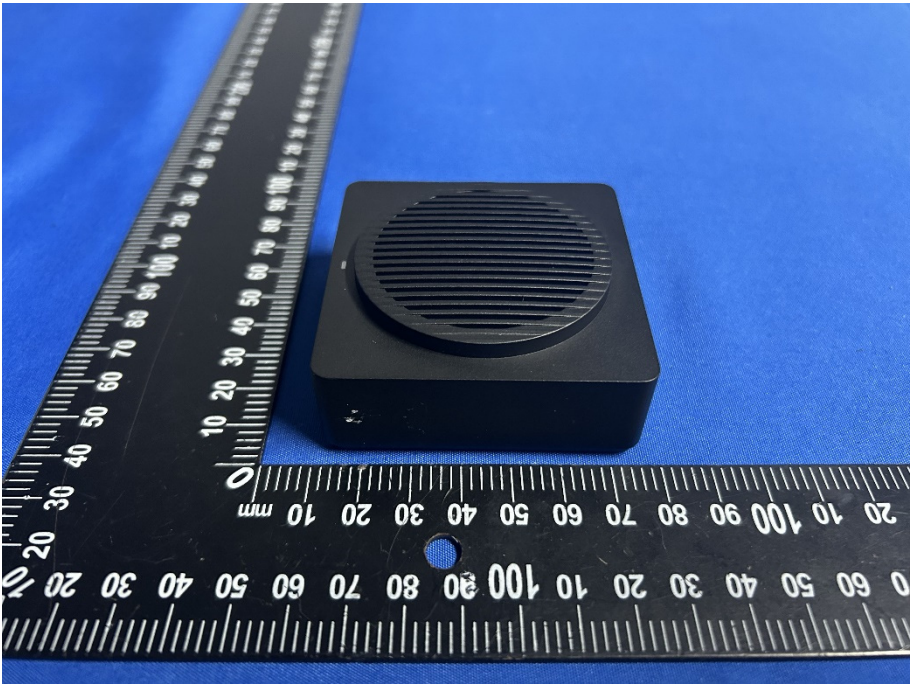

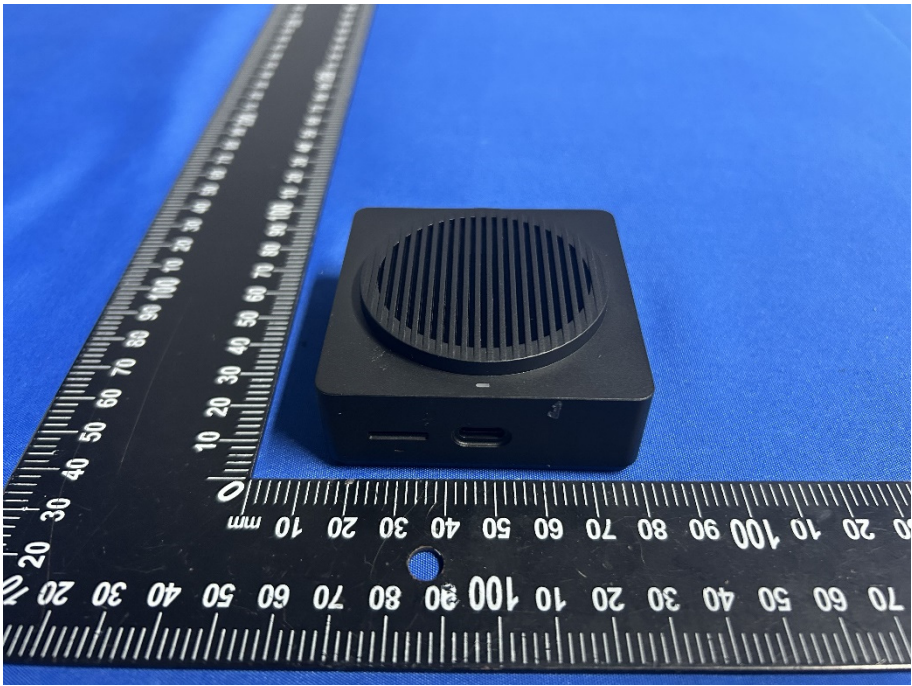

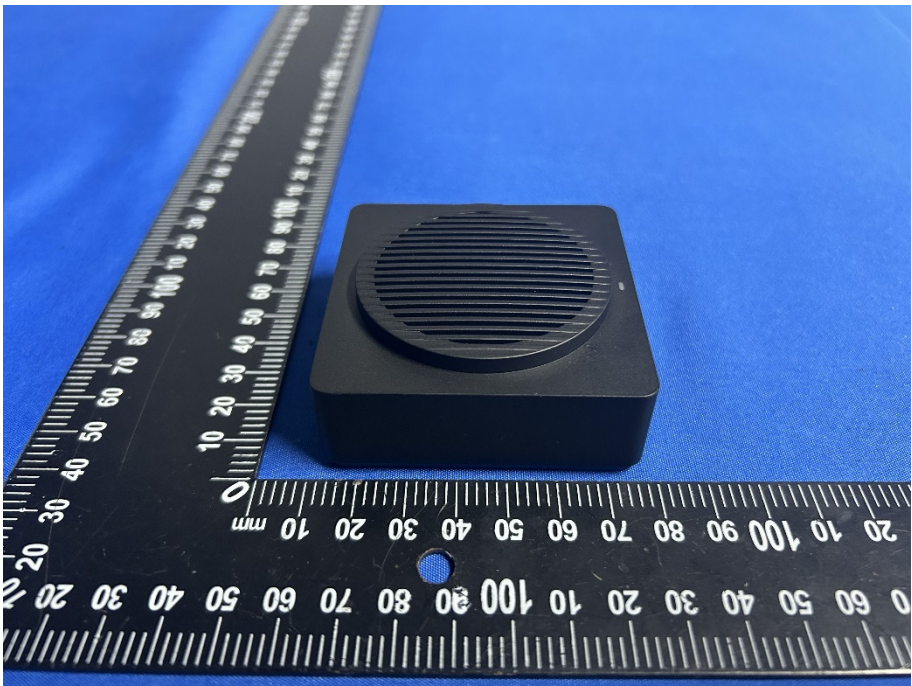

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

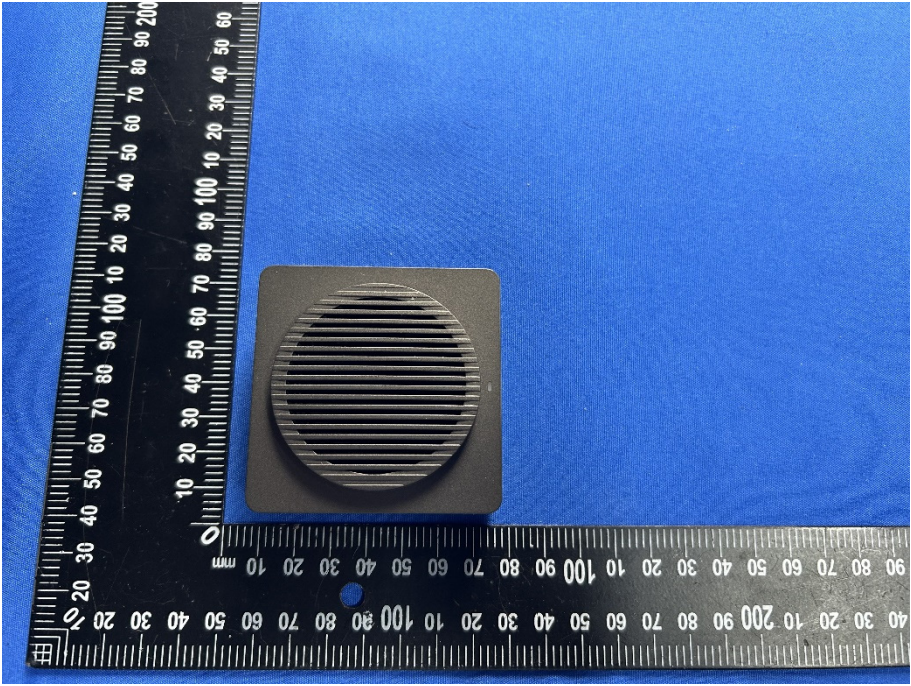

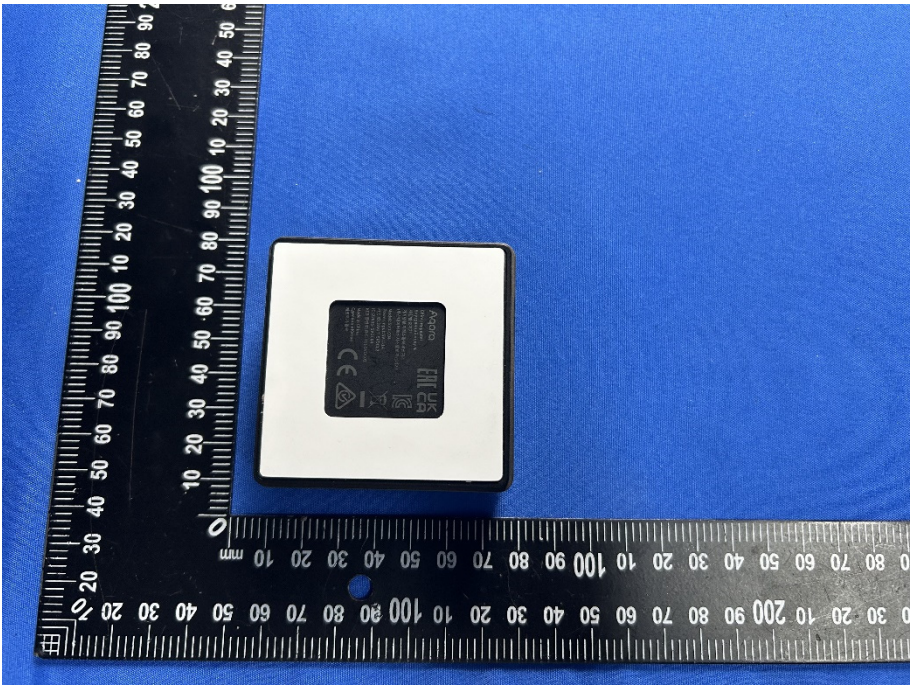

Model: CH-C11E(black)

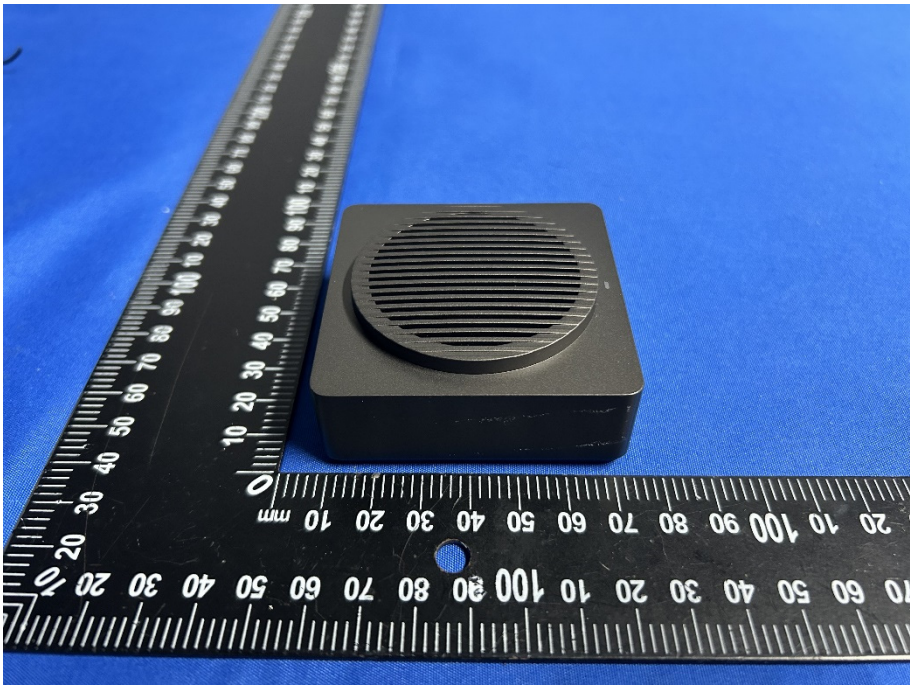

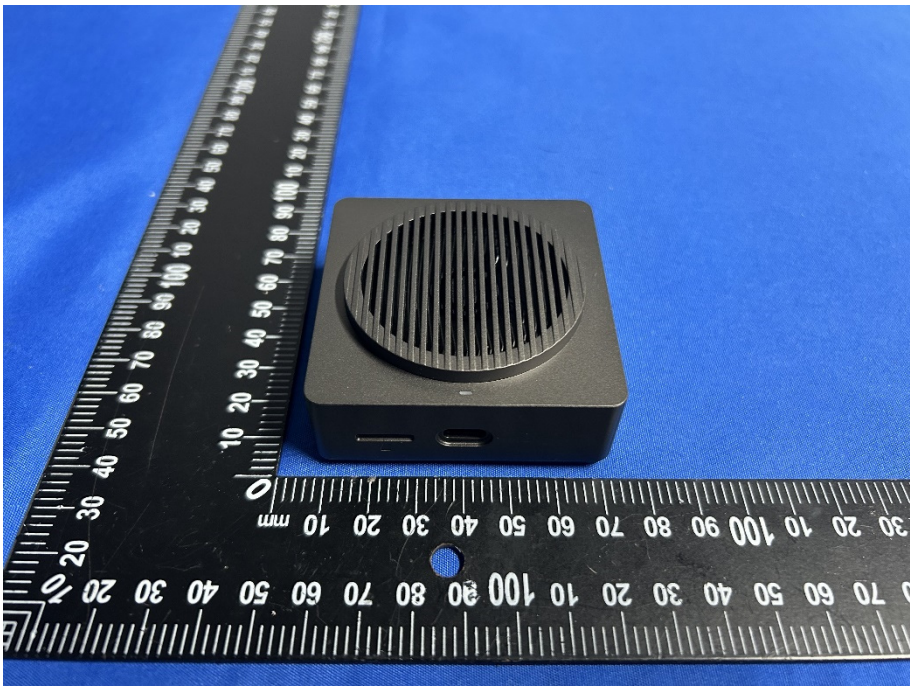

EUT View 1	 A black square device with a circular grille is shown on a blue background. A ruler is placed next to it for scale, showing the device is approximately 40mm wide. The ruler has markings in both centimeters and millimeters.
EUT View 2	 The back of the black square device is shown, revealing a label with technical specifications and a ruler for scale. The label includes the model number CH-C11E and other technical details. The ruler shows the device is approximately 40mm wide.

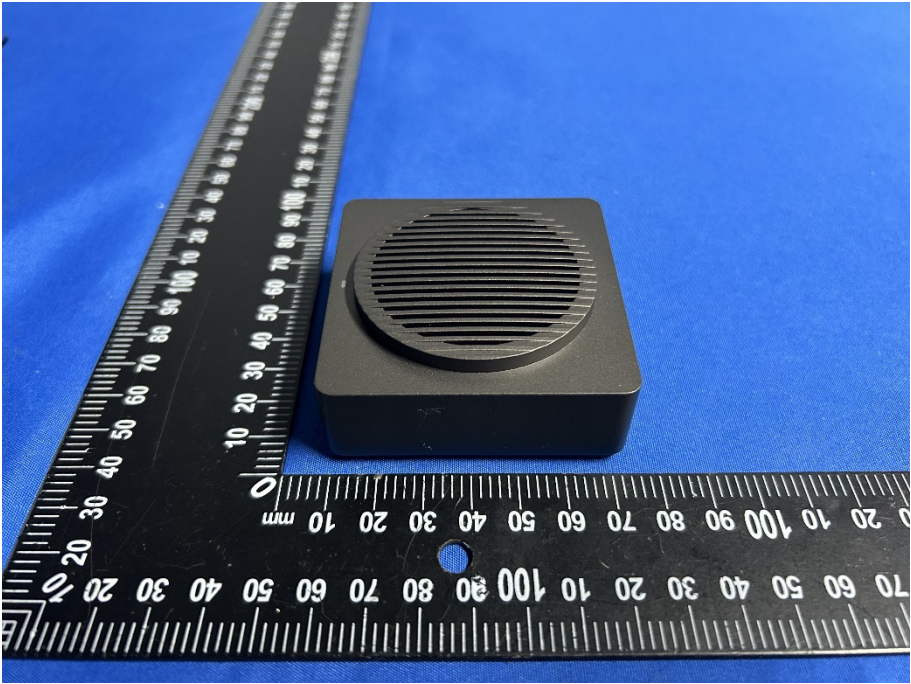

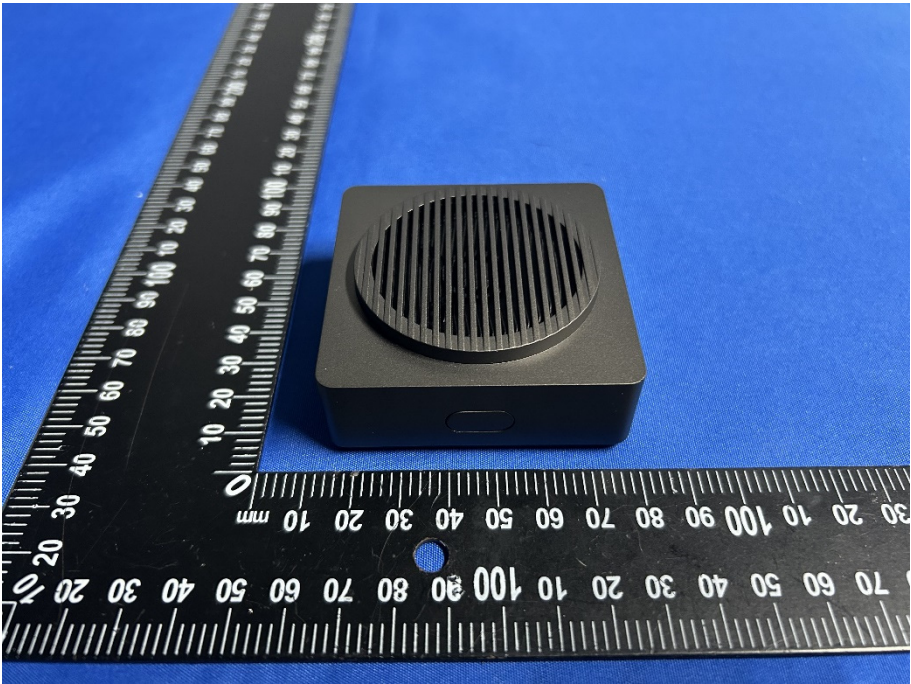

EUT View 3	
EUT View 4	

EUT View 5	 A black rectangular electronic unit (EUT) is shown from a top-down perspective. It features a circular grille on its top surface. The device is placed on a blue surface next to a black L-shaped ruler. The ruler has white markings in millimeters and centimeters. The device is positioned near the 10 cm mark on the horizontal ruler and the 10 cm mark on the vertical ruler.
EUT View 6	 A black rectangular electronic unit (EUT) is shown from a top-down perspective, similar to View 5. It features a circular grille on its top surface. The device is placed on a blue surface next to a black L-shaped ruler. The ruler has white markings in millimeters and centimeters. The device is positioned near the 10 cm mark on the horizontal ruler and the 10 cm mark on the vertical ruler.

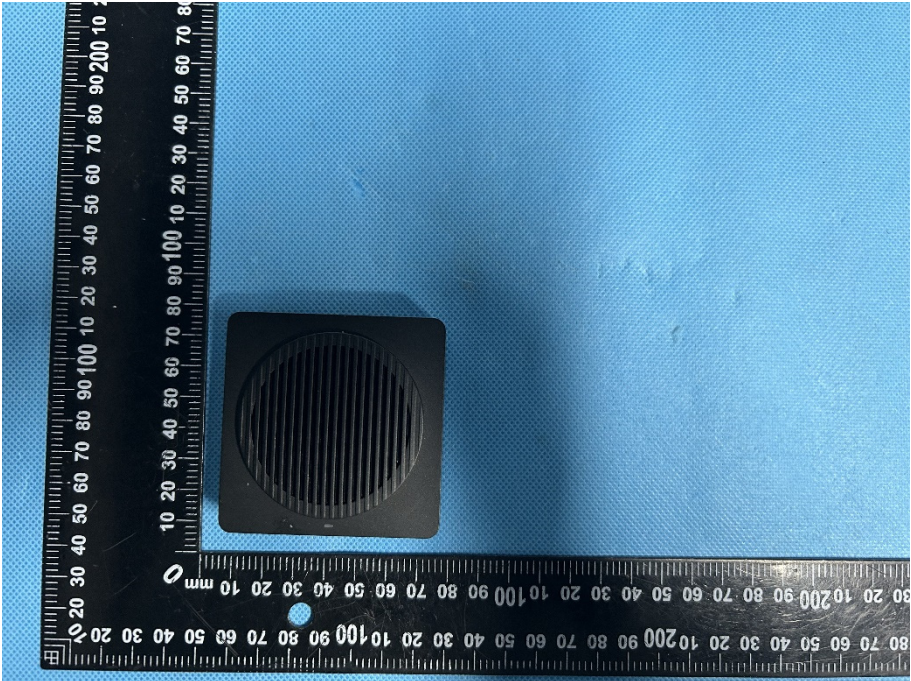

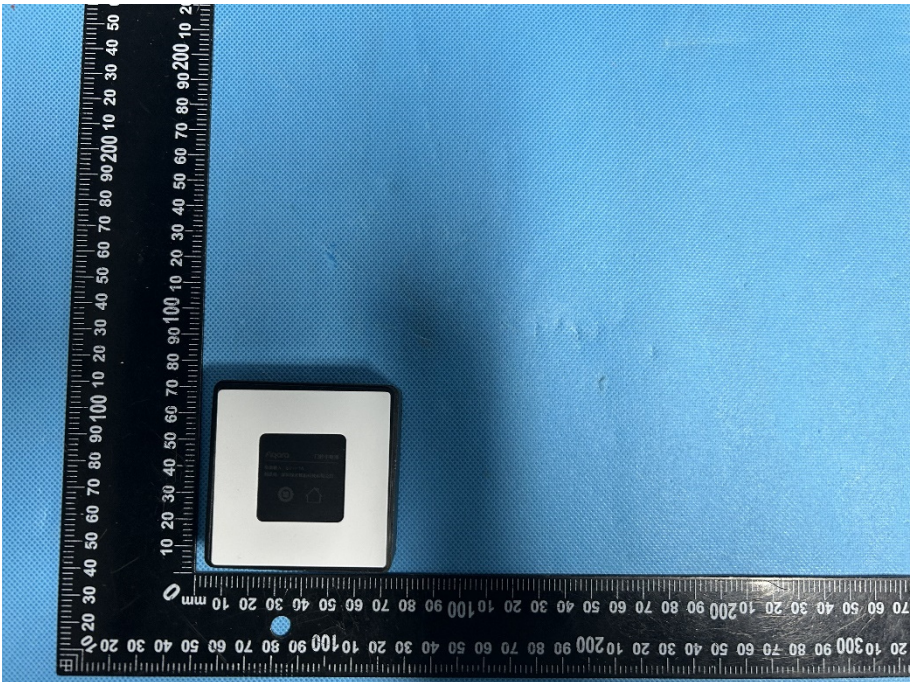

Model: CH-C11E(gray)
