Subject: Request for Deleting Filed Manual

**Company:** Covia Inc.  
**Address:** BENEX S-3, 3-20-8, 5F SHINYOKOHAMA, KOUHOKU-KU,  
KANAGAWA, YOKOHAMA, 222-0033, Japan  
**Product Description:** IOT Gateway  
**Model Number(s):** UM-125  
**FCC Identifier:** FCC ID: 2AKROUM-125

To Whom It May Concern,

The Covia Inc./ FCC ID: 2AKROUM-125 were granted 06/08/2017 as the following FCC Grants (file names:

- 2AKROUM-125\_FCC\_Part15.247\_DSS\_Copy of Grant,
- 2AKROUM-125\_FCC\_Part15.247\_DTS\_Copy of Grant,
- 2AKROUM-125\_FCC\_Part15.407\_NII\_Copy of Grant).

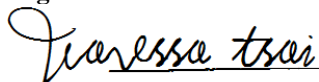

We, **Covia Inc.**, request for deleting filed user's manual (file name: 2AKROUM-125\_FCC\_Users Manual) of the Covia Inc./ FCC ID: 2AKROUM-125 because the filed user's manual (file name: 2AKROUM-125\_FCC\_Users Manual) is "Service Manual for Internal User Only" for our internal department to provide after-sales service to the mentioned product and is not an user's manual. It is because we take careless mistakes on submission of the application.

Thus, we want to file correct user's manual (file name: 2AKROUM-125\_FCC\_Users Manual\_Correct20170803) instead of wrong filed user's manual (file name: 2AKROUM-125\_FCC\_Users Manual) immediately. We do not want wrong filed user's manual (file name: 2AKROUM-125\_FCC\_Users Manual) on the public of the FCC Website and do not want anyone can download wrong filed user's manual from the FCC Website. I am sorry for any inconvenience.

Yours Sincerely,

**Covia Inc.**
