

TELEFONIX PDT™

13 June 2017

Federal Communications Commission
7435 Oakland Mills Road
Columbia MD 21046

Request for Change of FCC ID acc. to Sections 2.1033

To whom it may concern:

Based on Aruba Network Inc.'s related permission (see attached permission letter) we herewith apply to re-list their equipment as originally FCC certified(*) under FCC-ID: Q9DAPIN0324325, Grant date: 2015-07-21, Grant issued by the TCB of TUV Rheinland of North America, Inc. under our name Telefonix, Inc. and with the FCC-ID: 2AL4H E7130801. The equipment is re-listed as above(*) without applying any modifications to its design, circuitry or construction, and the original test results continue to be representative of and applicable to the equipment.

(*) Approval under Telefonix will NOT be as a Software Defined Radio as in the original approval under Aruba.

A C2PC procedure according to Section 2.1043 will be filed subsequent to approval of this FCC-ID change application which will then contain detail modification documentation.

Sincerely Yours,

James Costello
Chief Technical Officer
