Product：Makeup Case
Model：LC015

User Guide For Adjustable Stand

1. Unlatch two doors located at the bottom of the case.

2. Pull out four adjustable stands with one end semi-fixed at the bottom of the case one by one.

3. Rotate the stand clockwise to place and make sure it is tightly attached to the bottom of the case without any shaking. Loosen the screw rings at one end of the stand by unscrewing it counter-clockwise.

4. Press the two height adjusted buttons located at upper part of the stand and stretch out the lower part of it simultaneously so as to adjust the stand to the right height, tighten the screw rings at the middle of the stand by screw down them clockwise.

5. Repeat steps No.3-5 so as to make sure four support stands are of exactly the same height.

6. Lift up the case and make sure four support stands stand on the floor evenly and steadily.

User Guide For LED And Bluetooth

7. Unlatching the two locks on the door and open the case cover. Check if power cord and remote control are available inside the case.

8. Connect the plug socket located on the left of the case cover with the power cord and then you will hear a voice. The switch will turn to blue and the led screen will reveal 'Bluetooth'.

9. Press the switch once to turn on the lights. The lights can be 3 colors ---- yellow 3000K, warm white, white 6500K. Quickly press the switch twice to change the color. Keep pressing the switch to change the brightness. After use, press it once to turn off the lights.

10. Turn on the Bluetooth on your phone. Search 'Pebble Grey' and connect it.

11. Turn on your music player to play music. Music volume can be adjusted with the buttons on the Music Speakers or the remote control.

12. There are 4 buttons on the music speakers. The 1st one is to turn the volume up; the 2nd one is to pause/play the music; the 3rd one is to turn the volume down; the 4th one is to change the mode to Bluetooth or radio.

13. Connecting the USB interface or SD card can also play music.

14. Plug socket located on the right of the case cover can be used for hair drier, curling rod etc.

15. Please unplug hair drier, curling rod, turn off the lights, unplug the power supply, unplug the 3-pin female plug at one end of the power cord, put the power cord inside the case, close the door and latch it after use.

Caution

16. The product can be used in countries with voltage rated at 110-250V, maximum wattage is 500W.

17. Led is hot when it is in use and risk of scalding, please don't touch. Cool off before led replacement. Please switch off power supply and let the led cool off before the case cover can be closed.

18. Please unplug hair dryer or other high-power electrical appliance immediately after use so that possible accident as a result of overheat and long time working caused by forgotten carelessness can be avoided.

19. In case of smoke or fire, please don't pull the plug with hand if the cause of smoke or fire is unidentified. Power supply must be cut off by using insulator to unplug the product and then ask professional technician for help.

20. Do not shake the support stand or case body as the makeup case may fall down or get damaged or it may pose a risk to personal safety.

Please contact vendor in time if you have any questions regarding the use of the product. Thanks for your cooperation!
