

Appendix 2. FCC ID Label and location

Product Label Sample with FCC ID Label information and location

Following is a sample copy of the label that will be placed on the rear cabinet of the product.
The FCC identifier is marked in the product label.

Label Location

The label shown above shall be permanently affixed at a conspicuous location(cabinet out side) on the device and be readily visible to the user at the time purchase.(Labeling requirements per 2.925)

The device is so small that it is impracticable to label it with the FCC 15.19 statement in a font that is four-point or larger, so the FCC 15.19 statement is added in manual, and device packaging.
