

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

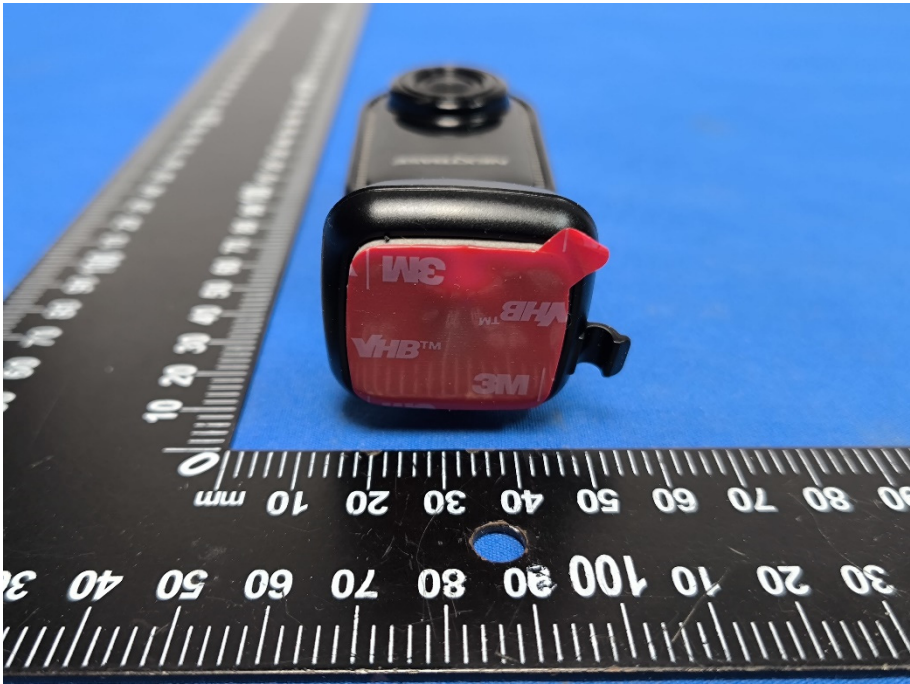

EUT View 1	 A photograph showing three items placed next to a ruler on a blue background. From left to right: a black, oval-shaped device with a lens; a small black component with a USB connector; and a coiled black cable with USB connectors at both ends. The ruler is marked in centimeters and millimeters.
EUT View 2	 A photograph showing a single black, oval-shaped device with a lens, placed next to a ruler on a blue background. The ruler is marked in centimeters and millimeters.

EUT View 3	 A black electronic device, possibly a mobile phone or a small tablet, is shown vertically. It has a red label on the bottom half. The device is placed next to a black ruler with white markings, which is used for scale. The background is a solid blue color.
EUT View 4	 A black electronic device, similar to the one in View 3, is shown vertically. It has a red label on the bottom half. The device is placed next to a black ruler with white markings, which is used for scale. The background is a solid blue color.

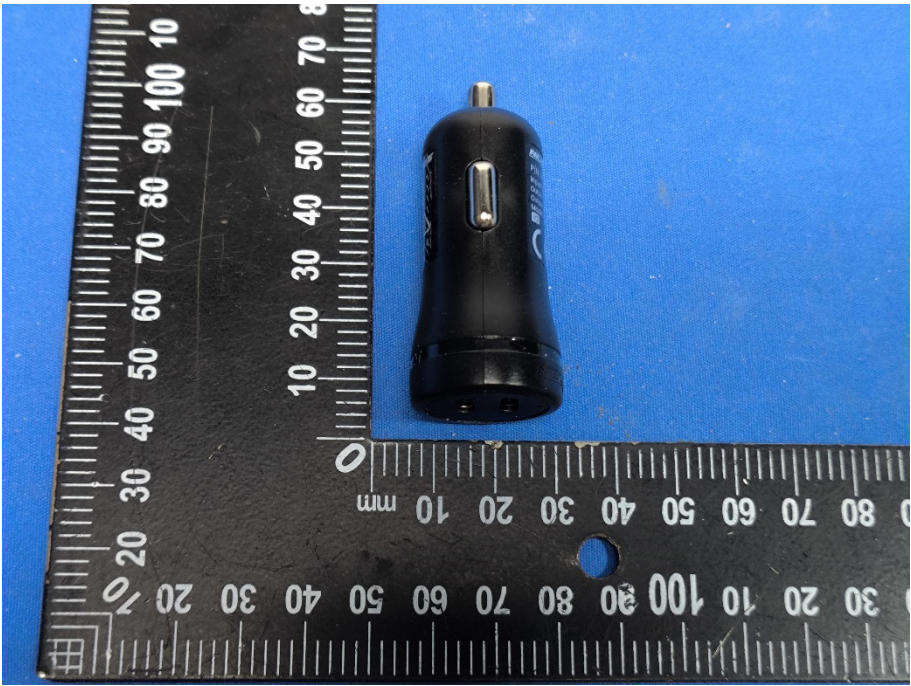

EUT View 5

EUT View 6

EUT View 7	 A black, cylindrical electronic device with a lens and a small red light on top. It is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters.
EUT View 8	 A black, cylindrical electronic device with a label. The label contains text: "P/N: NBP00-CIC", "Input: 12 - 24Vdc", "Output: 1.5A/18W", "Output: 2.5W/18W", and "Made in China". It also features a CE mark. The device is placed on a blue surface next to a black ruler with white markings.
