\*Do not squeeze or collid.

\*Do not disassemble or throw into fire or water, to avoid

The involved image are sketch maps, end-product subject to the abject entity.

Includes: wireless charger, charge cable, user's manual.

\*AC adapter is excluded, please buy separately or use the mobile phone original adapter if need.

#### Specification

Output:5w ( M A X )

Charging Efficiency:  $\geq 75\%$

Charging Distance  $\leq 8\text{mm}$

#### Applicable Devices

1. Fast charging: Samsung galaxy note 5 s7/s7 edge s8+/s8 plus, Standard charging :Samsung galaxy s6/s6 edge plus, Nokia 1520, Nexus 6 LG, and more.

2. Samsung Devices with reserved wireless charging interface ( not included ) next to battery :Galaxy S3/S4/S5 Note 2/Note 3,ect.

3. Devices ( Android/ ios )with Qi-enable charging receiver or receiver case ( not included ).

Please note : All devices must conform to Qi standard.

4. Iphone 8 and above all applicable!

#### Federal Communications Commission (FCC) Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no

guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Warning: Changes or modifications made to this device not expressly approved by Shenzhen Cheng Hui Da Electronics Co.,Ltd may void the FCC authorization to operate this device.

Note: The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications to this equipment. Such modifications could void the user's authority to operate the equipment.
