Larry Himmelblau
Sr. Product Compliance Engineer
Chicago Faucet Company
2100 S Clearwater Drive
Des Plaines, IL 60018

To: US Federal Communications Commission (FCC),

I am submitting this declaration letter as a supplement of the application to the FCC in order to register our FCC ID numbers for our electronic faucets. We ensure that the label including the FCC ID is visible during installation and it cannot be easily removed. In addition, the FCC ID will be included in the user manual and on the product packaging for each faucet.

Sincerely,

Larry Himmelblau
Sr. Product Compliance Engineer
