

**Confirmation letter**

EUT: Intelligent Handheld Terminal  
FCC ID: 2AR2V-PDA-5501

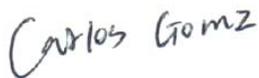

15M and 20M in the B2 band of PDA-5501 4G network in Shenzhen Qunso Technology Co., Ltd. Due to objective reasons, they are not used in actual application scenarios.

Therefore, the designed device software and hardware do not support 15M and 20M. And will not use them. The sample also without it.

Regards

Sincerely
