Safety Information

Please read instructions thoroughly before assembly. Familiarize yourself with the inventory of parts and the accompanying illustrations to assure safe and proper assembly.

Periodically check all bolted connections on your product to make sure they are tight and secure. Please keep the instructions for future reference.

WARNING

Tighten the screws but DO NOT overtighten them.

DO NOT operate if any part is damaged or broken.

Place the product in an area away from children and pets .

Do not mix old and new batteries. Do not mix alkaline, standard (Carbon - Zinc), or rechargeable (Nickel - Cadmium) batteries. If you find any noise, excessive temperature or leakage from a battery, please discard. When not using the unit for a considerable period of time, disconnect the batteries from the unit for storage. If battery power is weak during use, switch off the device and dispose of batteries.

CAUTION

. Assemble on a soft, non-abrasive surface.

. Don't fully fasten the bolts until all bolts are in place. Changes or modifications not approved by the party responsible for compliance could void the user's authority to operate the equipment.

PREPARATION

Before beginning assembly of product, make sure all parts are present. Compare parts with package contents list and hardware contents list. If any part is missing or damaged, do not attempt to assemble the product.

Limited Manufacturer's Warranty

Sunjoy Group warrants to the original purchaser that this item is free from defects in workmanship and materials for a period of 6 months from the date of purchase, provided the item was factory-sealed at the time of purchase and is maintained with care and used only for personal, residential purposes. Should any manufacturing defect arise within this warranty period, Sunjoy Group will replace (at our option) any defective merchandise or parts upon proof of purchase; however, transportation and delivery costs, as well as payments to a third party for assembly or disassembly of the item, remain the responsibility of the purchaser. A purchaser of an "open box," previously-returned, or "clearance" item, as well as original purchasers outside of the warranty period, may obtain replacement parts from Sunjoy Group for products in current production, at nominal cost.

Exclusions:

Items used for commercial, contract, or other non-residential purposes, or items damaged due to acts of nature, vandalism, misuse, or improper assembly are not covered. Corrosion or rusting of hardware is not covered. Proof of purchase (dated register receipt) is required for warranty claims. Warranty is to the original purchaser and is non-transferable. Any replacement of warranted items will be in the original style and color, or a similar style and color or a similar style and color if the original is unavailable or has been discontinued. As some states do not allow exclusions or limitations on an implied warranty, the above exclusions and limitations may not apply. This warranty gives you specific rights, and you may also have other rights, which vary from state to state.

Federal Communications Commission (FCC) Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Warning: Changes or modifications made to this device not expressly approved by ZHEJIANG PIONEER METAL PRODUCTS CO.,LTD may void the FCC authorization to operate this device.

Note: The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications to this equipment. Such modifications could void the user's authority to operate the equipment.
